APPROVAL OF MINUTES

Request for Approval of Charter School Authority Governing Board Regular Meeting
Minutes on Tuesday, November 18, 2025

Member Kilraine moved, seconded by Member Katine, to approve the minutes (for the Charter School Authority Governing Board Regular Meeting held on November 18, 2025). Voice Poll: All “ayes.” Motion carried.

CHANGES TO AGENDA/ADOPTION OF AGENDA

Request for Approval of the Charter School Authority Agenda

Chair Jackson asked for a motion to accept the agenda as presented.

Superintendent Collins requested to move Item 17 Staff Report to appear immediately following 8.b. Citizens Input. She also requested adding to Item 11 New Business – the request for approval of equipment proposal to Item 11a. and moving the existing item 11.a. to 11.b.

Member Kilraine moved, seconded by Member Katine, to adopt the agenda, as amended. Voice Poll: All “ayes.” Motion carried.

CITIZENS INPUT TIME

No Speakers.

Chair Jackson requested the City Clerk read into the record the Ecomments received.

City Clerk Brunns read the Ecomments into the record.

Citizens Input Time closed.

Member Kilraine asked if there was a report regarding the HVAC topic in the Ecomments

Facilities Manager Alvarez responded cleaning has been scheduled to be done during Winter Break. Regular quarterly maintenance was done two months ago.

Member Kilraine requested a report back after these issues have been addressed.

Facilities Manager Alvarez responded in the affirmative.

Deputy Public Works Director Grant commented:

- Recently contracted with B&I Services for HVAC chillers throughout the City
- Allow them to do the work on the schools
- B&I begun their quarterly and monthly routine services; some issues will go away
- Coil cleaning done in late September/early October and will be done again during the Winter Break
- Specific to black specks which he has seen in other areas, procured the low bid for duct cleaning which would be done over the Winter Break
- If something out of the ordinary is seen during the duct cleaning and if additional steps are needed, it will be done and communicated to the School Staff.

Member Katine asked if they just recently started working with B&I.

Deputy Public Works Director Grant responded they have had B&I for their chillers for some time. Maintenance for the schools was taken over a few years ago and about a year after that, B&I was brought on board.

Member Katine asked about the age of the HVAC system.

Deputy Public Works Director Grant responded for that school it is about 10-12 years old. He explained they expect to get another 8 to 10 years from those systems.

Chair Jackson asked about the brand of the units.

Deputy Public Works Director Grant responded they were Trane.

Chair Jackson noted there was an issue with getting replacement parts after one of the last hurricanes and asked if this problem has been addressed.

Deputy Public Works Director Grant responded:

- After Ian, there was a lot of wind damage
- Control panels and coils needed to be replaced.
- We brought in another chiller tower temporarily until we could get replacements for the permanent roof top system.
- When we repair control panel boards, we ask for a couple additional boards to keep in stock.

Chair Jackson commented on systems going down affecting the students' learning. He questioned if it was feasible to continue with Trane.

Deputy Public Works Director Grant responded:

- Trane was well known.
- Occasionally they look at offers from other manufacturers.
- No plans to replace those units.

Member Katine asked about the age of the HVAC systems in the modular classrooms.

Deputy Public Works Director Grant responded the two portables in the North Campus were installed a few years ago.

Member Katine asked if it was the expectation to have a 20-year life span.

Deputy Public Works Director Grant responded the idea was to get 20-25 years out of the modular portable units. Looking to add some generator connections.

Superintendent Collins commented on how long they would last since those units tend to work harder on the portables because they are not insulated as the main building.

Discussion held regarding:

- Impact on students of systems down
- LCEC transformers
- Plan in place to relocate student if system down
- Variety of issues
- Computer software in units
- Electrical panel replacements

STAFF REPORT (Moved to immediately after Citizens Input)

Marybeth Grecsek, Principal, Oasis Elementary South

Superintendent Collins noted that the students with Principal Grecsek are part of her Leadership Group.

Principal Grecsek discussed the following displayed slides regarding Parent Engagement Activities:

- Parent Night
- Khan Academy Parent Night
- Oasis Elementary South K-2 Student and Family Reading Workshop (2 slides)

Brea explained her job was to be a greeter.

Cody explained his job was to be a station worker.

Emma commented that the program went well since it helps kids become better readers.

Presley commented that the workshop went well because it helps kids develop words and reading.

Principal Grecsek commented:

- They love that the older kids play the games with them.
- Families were there
- Will translate into practicing at home
- Example of games played
- Each child got a free book – Librarian arranged
- New Worlds Reading – program through the State of Florida – provides books for struggling readers
- Teacher Author, Student Author
- Will be planning events like this for different grade levels

Discussion held regarding:

- Creative program

- Activities of the Student Leader Club
- How the students got involved in this program

STAFF REPORT (Moved to immediately after Citizens Input)
Marybeth Grecsek, Principal, Oasis Elementary South

REPORTS OF BOARD MEMBERS AND COMMENTS

Parent Representative Rouzeau: Congratulated the Chair and Vice Chair. She asked about the letter from Mr. Brown that the Cape Coral Charter School OEN Christmas Spring Show will not be held this year. She questioned if it was just this year that you are holding off.

Kelly Weeks, Assistant Principal OEN, responded at this point the decision was made just for this school year. We have followed staff, they do not have those same programs, so we decided not to this year. Will look more into just the teachers doing things in their classrooms, we also did go back this year to our drama which we did not have last year, more information coming, nothing in stone now.

Parent Representative Gibson: Congratulated the Chair and Vice Chair. Was in charge of planning the Fall Fest which raised over \$10K which goes directly back to the school

Member Santos: Congratulated the Chair and Vice Chair

Member Atisele: Commented on Oasis South programs that help parents be involved

Member Katine: Appreciated being reappointed as a Member to the Board

Chair Jackson: Glad teachers are getting bonus in time for the holidays

24-25 Clubs

2024-2025 After-school Clubs

Bible Study

Mrs. Gokachuk (RM 205) / Every Thursday before school 8:55-9:00

In this student-led group, we learn about an array of topics and life lessons that can be found in the Bible. Join us as we study the Bible together!

Book Club

Mrs. Gokachuk (RM 205) and Mr. Tronzo / Third Friday of each month

This is a club for those who love to read or want to become more of a reader. It is student-driven - Students choose a novel to read and lead discussions about the story.

Chemistry Club

Mr. Brock (RM 223) / Meets on the 3rd Friday of each month

Students have the opportunity to foster a new (and maybe unexpected) appreciation for chemistry, learn about the applications of chemistry in everyday life, and develop a sense of community among their students.

Chess & Checkers Club

Mr. Brock (RM 223) / First meeting is Thursday, 8/29, 1:40-2:10

Looking for a fun way to challenge your mind and connect with others? Join the Chess and Checkers Club! Whether you're a beginner or a seasoned player, this is a great place to sharpen your skills, learn new strategies, and enjoy some friendly competition. All levels are welcome! Future meeting dates and times will be determined at the first meeting.

CMS Computer Science & Robotics Club

Mr. Ponce (RM 118) / Every other Monday starting Sept. 22nd

This is a community-based service club where students will learn and explore living in a world transformed by new advancing technologies, working with problem, computers, AI, etc. and other issues/phenomena.

Dungeons and Dragons

Mr. Ponce (RM 118) / Every other Monday

The D&D Club is a group where we bring together all our players to create and to adventure in a world formulated by the Dungeon Master. We hope to build cooperation, critical thinking, and logical skills in order to move our puzzle and realistic monster through the course of these games.

Sports

Mr. Ponce (RM 118) / Meets every Tuesday from 1:35-3:00

The CMS Sports team competes in various different video game competitions throughout both Fall and Spring seasons through the HSL website. The players have the opportunity to practice and strategize for the games they are competing in. Games available: Super Smash Brothers, Mario Kart 8 Deluxe, Minecraft, and Rocket League. No FPS games.

FLA Meeting/Proms Publishing

Mrs. Gokachuk (RM 205) / First day of each week before school @ 8:00

Join us on the first day of each week to enjoy an encouraging word from our school and parent before the day begins. Come to our safe place for family, friends, and fellowship as we pursue a better future for our school!

Hip Hop Honor Society

Mr. Sanchez (RM 523) / Meets every other Friday

Students have the opportunity to learn more about the Hispanic culture, traditions, and the language. We work together with the American Association of Teachers of Spanish and Portuguese (AATSP). There are many opportunities for content and scholarship for students within the association. Students must have taken and passed 2 or more of Spanish class, any high academic credential, and be a role model in the school.

Investing Club

Mr. Conannon (RM 122) / Meets every Thursday

The Investing Club helps students learn how investing works, build money confidence, and explore topics like stocks and mutual funds. We work together in a fun, supportive space focused on learning. The club also competes in events like the Wharton Business School Investing Competition to put our skills to the test.

Key Club

Mrs. Martin and Mr. Godfrey (RM 221) / Meets once a month

Key Club is an international, student-led organization that provides its members with opportunities to provide service, build character and develop leadership.

Math National Honor Society

Mr. Lobos (RM 213) / Meets Mondays

The purpose of

Model United Nations

Ms. Solis (RM 204) / 5th Thursday of every month

The purpose is to teach students about the United Nations and diplomacy.

National English Honor Society

Mrs. Orendson (224) / First Thursday of each month

The National English Honor Society (NEHS) is an international organization exclusively for secondary students and faculty who, in the field of English, merit special recognition for past and current accomplishments. We foster literacy in our schools and our community.

NHS National Honor Society

Mr. Serrin (RM 234) & Mrs. Blosky / Meeting time TBD

Officer Meetings: First Friday of each month - Mr. Serrin's Room 234

Club Meetings: Third Friday of each month - cafeteria

The National Honor Society (NHS) elevates a school's commitment to the values of scholarship, service, leadership, and character. These four pillars have been associated with membership in the organization since its inception in 1917. Inducted students participate in community involvement projects. Inductions are held each spring.

Photography Club

Mr. Brown (RM 118) / The second and fourth Monday of each month beginning Aug. 25.

To inspire creativity and develop photographic skills through hands-on learning and photographic activities.

Thespians are actors/actresses who will be performing many times throughout the school year. It is also a competitive theatre organization including music, theatre, acting, and technical theatre.

School Brochure

Cambridge

The Cambridge program at Oasis is rigorous and engaging, comparable to both Advanced Placement (AP) and International Baccalaureate (IB) programs. Students participating in course work are ultimately preparing to take the end of course AICE exams. Successful passing scores result in earned college credits with the possibility to earn up to 75 credits. Students have the flexibility to choose classes based on their individual interest/skillset. While working through the program, students also can earn their Advanced International Certificate of Education Diploma. The AICE International Diploma is earned by passing at least 7 exams, combined with earned service hours can earn the highest tier of the Bright Future's Scholarship which is recognized by all Florida state college and universities.
