Pine Ridge High School strongly believes that all students can achieve and be successful. We will continue to work with seniors to allow a shortened schedule, if they qualify. The following contract will allow a qualifying senior to shorten their school day to include only those courses needed for graduation. To be eligible to participate in shortened school day students must meet ALL the following:

- Students MUST be classified as a senior in good standing.
Students MUST have a cumulative unweighted GPA of a 2.50 or higher.
Students must be College and Career Ready measured by:
o A Dual Enrolled credit, or
o Passing exam score on one of the following: Industry Certification, IB, Cambridge or AP
Students must have a passing score on all graduation related testing requirements or provide state approved waiver.
Students must have the minimum credits needed for graduation and must be included on the student's schedule.
Students MUST participate in at least 4 courses at Pine Ridge High School (not to include VOL/FLVS).
Dual enrollment exceptions: Ex. 1 (1 DE & 3 campus courses) Ex. 2 (2 DE & 2 campus courses) Ex. 3 (3 DE & 1 campus course)
Courses selected MUST be in sequential order. For example, periods 1-4 or 4-7.
Courses WILL NOT be dropped after the end of Q1 or after Q3.
Due to course availability additional courses may be required to complete a student's schedule to ensure graduation on time.
We will make every effort to schedule the student during their preferred time of day, but due to scheduling conflicts we may not be able to do so.
Students MUST attend all the classes on the schedule.
No more than 10 days absent during each semester (18 weeks).
Students MUST arrive on time.
No more than 4 tardies per semester (18 weeks) to their first class of the day.
Students MUST follow all school and district rules, which includes Volusia County School's Uniform Policy.
Students MUST pass all classes enrolled in each semester.
Failure to successfully pass all courses WILL result in additional courses being added to the student's schedule.
Students are NOT PERMITTED to be on campus unless they are scheduled to be on campus.
Students MUST have regular and dependable transportation to and from campus.

I prefer to be on campus periods (circle all that apply for the number of classes required for graduation):
1 2 3 4 5 6 7

All requirements MUST be met to shorten a student's school day. Failure to comply with the above requirements will result in shortened day being revoked and additional courses being added to the student schedule. This approval will be monitored at least quarterly by the school counselor.
