Dear Parents,

The City of Cape Coral Charter School Authority has enjoyed providing Voluntary Pre-Kindergarten services to families over the last several years. We realize this program has been a valuable community service, and our teachers have enjoyed helping hundreds of young students build the very first foundations for a confident and successful academic career.

However, beginning August 1st, 2019, Oasis Elementary and Christa McAuliffe Elementary will turn their VPK classrooms into kindergarten only rooms. This conversion will result in a significant amount of additional funding to our schools, as well as help reduce extensive kindergarten waiting lists. Moving forward, one of our charter school system goals will be to focus on increasing our kindergarten enrollment.

This news doesn't mean we're leaving you behind.

Over the years we have nurtured positive partnerships with community providers who also offer VPK services. Although this decision may have taken you by surprise, neighboring VPK providers are willing to help your family make a smooth transition to another site. For information on VPK programs offered in your area please contact the Early Learning Coalition of SW Florida:

In the meanwhile, you may contact our office with any general questions.

Thank you for your continued interest and support of our charter school system. Working together, we can continue to produce independent, responsible life-long learners.
