

BIRTHDAYS ARE SPECIAL!

At CLMS we kindly request that you celebrate with gifts at home (including balloons, flowers, gift bags, etc.). It is very problematic for your child to carry gifts around for 5 class periods, and they're a noted distraction to others learning in classrooms.

We encourage prepackaged cookies, with no icing, to be shared and celebrated during lunch time. (No cupcakes, or other desserts with icing, please.)

CLMS always invites you to eat lunch with your child on the Panther Patio, and their birthday is a wonderful time to do just that!

We appreciate your understanding and continued support.

HAPPY BIRTHDAY!
