

CRAB CLAUSE

A cooperative effort of Seabreeze High School and the SHS PTSA

Seabreeze Sandcrabs are held to high ethical standards in our pursuit of academic achievement. As a student of Seabreeze High School, I understand that academic dishonesty defeats the purpose of education. Cheating, plagiarism, stealing, and lying are neither acceptable nor tolerated. Every task and accomplishment will be a true reflection of my effort.

Dear Seabreeze Family,

Dear Seabreeze family,

What a first semester we have had! With Hurricane Matthew and all the various challenges that event presented! I cannot complement our student body, faculty, staff, and community enough for their perseverance through these challenging times. Here at Seabreeze High we have maintained our focus by providing great experiences for our students throughout the various challenges.

As we fast approach the end of this semester, please remember the second grading period will end on Tuesday, December 20th. Our winter break will start for students at the end of the day Tuesday and classes will resume on Wednesday, January 4th, 2017.

Please stay involved with your child's academic progress. We need your support in our Superintendent's attendance initiative "Everybody, Every Day." Attendance is the key to success. In addition to being here every day, being on time is critical. If a student is late 20 minutes or leaves 20 minutes early each day he or she loses the equivalent of 80 class periods. Access the Pinnacle Electronic Grade Book to keep abreast of your student's development. If you are having trouble and need assistance with Pinnacle access, please contact Mrs. Tiki Picott at tdpicott@volusia.k12.fl.us. Your students' chances of success are greater when their foundation of support is strong.

The pathways for success are plentiful at Seabreeze High School. Our dedicated faculty and staff will work hard to ensure that your child will be given opportunities to be successful and will always be treated with dignity and respect. Please have a safe and enjoyable holiday season. Go Sandcrabs!

Sincerely,
Joseph Rawlings
Principal

WRITING CHECKS TO SCHOOLS

Your check is welcome at Seabreeze High School. The District recognizes that occasionally a parent may inadvertently overdraw a checking account and a check may be returned by the bank. In order to recover these funds in a private and professional manner, Volusia County Schools has contracted with CHECKredi, a company specializing in the collection of returned checks.

Each check written to the school must be made out to Seabreeze High School with the maker's name pre-printed on the check (no starter checks) and must include the maker's physical address and phone number (including area code). Please use blue or black ink.

When a person writes a check to a school or the District, the person writing the check agrees that, if the check is returned, it may be re-presented electronically on the same account for the full face amount and a fee established by Florida law.

CHECKredi will contact you by mail and by telephone in order to make arrangements to pay before attempting to re-present the check electronically. Payments of the check and fee may also be made online at www.checkredi.com using a credit card, debit card or electronic check without any additional fees. For a convenience fee, payments may be made over the telephone at (877) 524-7334 by credit card, debit card, or electronic check. Payments cannot be made at the school or the District.

SEABREEZE FIVE STAR ACCREDITATION

Seabreeze High School once again earned Five Star School recognition! Seabreeze was only one of three high schools to be recognized out of the 56 schools in our system that qualified for the award. Thank you Patti Dahms, ext. 54601 for taking on the role of 5-Star Coordinator this year!

TESTING AND ELECTRONIC DEVICES

The Florida Department of Education has continued the policy on the possession of electronic devices during standardized testing. If students are found with an electronic device that reproduces, transmits, calculates, or records (e.g. a cell phone, camera, pager) in their pockets, clipped to their belts, at their desks, or anywhere that can be easily accessed during testing (even if in a purse or backpack), the test will be invalidated. It does not matter if the devices are turned off or if students do not use them.

This includes IPODs, MP3 Players, Phones, tablets, and any other electronic device fitting the description above.

For all information on testing, please visit our website page at
www.seabreezehigh.org/testing

SEABREEZE CENTER STAGE TAKES HIGH HONORS AT DISTRICT 3 THESPIAN FESTIVAL!

The following Center Stage thespians received SUPERIOR ratings at Districts: Walker Powell, Madison Larson, Scarlett Moran, Laken Giles, Drake Lee, Jon Foege, and Kevin White. Powell and Larson created a powerful dramatic scene between young marrieds from the play Dinner With Friends. Moran and Giles both displayed their solo acting chops in serious and comedic monologues. Lee, Foege, and White delighted the judges with a comically absurd scene from Conform!, written by former long-time Seabreeze theater teacher Reid Conrad. All seven actors will represent Seabreeze Thespian Troupe 1269 at the State Thespian Festival in Tampa this coming Spring Break. Good luck, Sandcrabs!
