No-Shows

The demand on the available appointment slots has been over-whelming; however, the practice of employees/dependents not showing for an appointment is greatly diminishing the capacity for others to be seen. We have had an increased number of employees and dependents not showing up and not canceling appointments for lab draws and medical appointments. We have found the need to track this information, so No-Show appointments will be reported monthly to the School Board of Levy County Employee Health and Wellness Center.

Cancellation of Appointments

If the need arises for a last-minute appointment cancellation, please cancel with enough time to allow another School Board of Levy County employee to utilize the newly available appointment slot. For your convenience, please log onto your Patient Portal at www.my-patientportal.com, via the healow app, or call the toll-free 24-hour Call Center at 1-888-644-1448 to reach an operator to cancel or reschedule your appointment.

Late for Appointments

If you arrive at the My Health Onsite Employee Health and Wellness Center 10 minutes or later for your scheduled appointment time, you will be considered a no-show.

Acute Medical Problems

For those eligible to use the health and wellness center that have an acute medical problem that needs attention, we will make every effort to see those patients as quickly as possible. Please contact the My Health Onsite Call Center at 1-888-644-1448 to reach an operator and asked to be transferred through to the center.
