If you have access to a computer and internet please complete the following if your child’s teacher has made it available:

- 45 minutes on iReady reading
- 45 minutes on iReady math
- 20 minutes a day on Zearn
- One assignment on Accelerated Math
- 10 minutes on Math Facts in a Flash
- 30 minutes on Mindplay

Please remember that I am here to help with anything you might need! If you aren’t sure how to access a program online or have trouble with something please reach out. You may not be able to do some of the worksheets at home and that’s ok. Do what you can and please don’t stress about any of this. We will get through this together! Please save what you do and turn it back in to school. I will come pick it up or your child will bring it back whenever we are allowed to return to school.
