Students attending before school tutoring should be dropped off at the front office and may attend our before school program once tutoring is over before class.

Please check how your child will get home after tutoring:

- ☐ My child will walk home or will walk to the public library after tutoring.
- ☐ My child will be parent pick-up. I understand that I need to pick my child up by 5:15 if child is not picked up by 5:25 he/she will be put on the activity bus because there will be no one here to supervise my child.
- ☐ My child will ride the activity bus home. I understand that this is an auxiliary route and the stop may be different than the usual bus stop.

I understand that this tutoring is free of charge and that my child needs to be on their best behavior and attentive during tutoring. If they are not participating appropriately their seat will be given to a student who is on the waiting list.
