Any and all monies which have been paid in advance by SCSB will be prorated to the date of termination and refunded to SCSB. Nothing herein shall be construed as giving the contractor the right to perform the services contemplated under this agreement beyond the time when such services become unsatisfactory to SCSB. If a contractor is discharged, SCSB will only pay for that portion of the work that was satisfactorily completed at the time of termination.

1.27 SCSB may, by written notice of default to award vendor, terminate the whole or any part of this contract if award vendor fails to make delivery of the contracted products or services, or fails to perform the contracted services within the time specified in the bid or subsequent addenda. Effective July 1, 2007, Senate Bill 988-High Risk Offenders, was signed into law. Failure of the contractor to meet this requirement will void the contractor's exemption.

does not apply to you; therefore you do not need to take action.

3.23.5 The Contractor is not to use any Day Labor or temporary workers at any SCSB facility. This includes all technicians that are added subsequent to award. Failure to comply with this specification could result in immediate termination of the award and liquidated damages.

3.23.6 The employment of unauthorized aliens by any Contractor is considered a violation of Section 274 A (e) of the Immigration and Nationalization Act. If

the Contractor knowingly employs unauthorized aliens, such a violation shall also be cause for cancellation of the contract.

3.23.7 Possession of firearms will not be tolerated on SCSB property; nor will violations of Federal and State laws and any applicable SCSB policy regarding Drug Free Workplace be tolerated. Violations will be subject for the immediate termination of any contract resulting from this Invitation to Bid.

3.23.8 "Firearm" shall mean any weapon (including a starter gun or antique firearm) which will, is designed to, or may readily be, converted to expel a projectile by the action of an explosive; the frame or receiver of any such weapon; any destructive device; or any machine gun.

3.23.9 No person who has a firearm in their vehicle may park their vehicle on SCSB property.

3.23.10 If any employee of a Contractor or Sub-Contractor is found to have brought a firearm on SCSB property, said employee will be terminated from SCSB contract by the Contractor or Sub-Contractor. If the Sub-Contractor fails to terminate said employee, the Sub-Contractor's agreement with the Contractor for SCSB contract shall be terminated. If the Contractor fails to terminate said employee or fails to terminate the agreement with the Sub-Contractor who fails to terminate said employee, the Contractor's agreement with SCSB shall be terminated.

3.24 Facilities Inspections: SCSB reserves the right, prior to award of any contract and throughout the bid period, to inspect the prospective vendor's facilities and place of business to determine that the vendor has a regular, bona fide establishment, that is

presently a going concern and is likely to continue as such.

3.24.1 Qualifications to be evaluated may include, but not be limited to, the vendor's ability to service the School District in terms of: 1) delivering orders

promptly and in an organized manner by customer-oriented drivers, 2) accuracy of invoicing, 3) providing accurate and timely reports, 4) capacity of the delivery fleet and 5) good communication with the Facility Staff.
