**SCHOOL BOARD OF SUWANNEE COUNTY**  
A/E# 2013.46B

DATE: March 18, 2014  
TO: All Interested Contractors  
FROM: Architects RZK, Inc.

**4.0 00 11 13 BID NOTICE**

The BID DATE remains 03.21.14 as advertised.

**4.1 10 14 00 IDENTIFYING DEVICES**

Include the 15 inch high lettering as manufactured by GEMINI for the wording ADMINISTRATION over the new entry canopy (see attached cut sheet).

**4.2 DRAWINGS A-0.1, S-1.1 & S-2.1**

Drawing A-0.1 indicates areas of existing slab within the building to be removed. Drawings S-1.1 and S-2.1 do not show how those areas are to be addressed. The bid contractors are hereby advised to include new floor slabs at the interiors to match that removed per A-0.1.

Drawing A-0.1 does not indicate that 1ft. x 1ft acoustical tiles adhered to the walls in MUSIC 105 need to be removed up to the 9'- 4" height until they are not visible above the new ceiling height. Additionally there are tack boards and marker boards in this room which need to be removed. The walls behind the noted items must be dressed to remove any adhesive such that the walls when finished will match the adjacent surfaces when painted. The bid contractors are advised to review the existing building drawings on sheets A-3 and A-9 for the heights of the acoustic tiles and the location of tack and marker boards.

Please enter the appropriate addendum number on the proposal form to be submitted.
