

Elementary District Virtual Instruction Education Option 2017-2018

- Free through your school district
- Individualized Learning Plan
- One-on-one support
- Highly-qualified, friendly, supportive MDVS teachers and administration
- On-line state approved curriculum
- School materials delivered to your doorstep (textbooks, workbooks and hands-on materials)
- Learning Coach manuals
- Follows your school district calendar
- 24-7 access to the on-line learning component

How to Register:

- 1) Go to: <http://www.nefec.org/virtual/student-registration/> to complete the on-line registration
- 2) Contact your school district's virtual instruction program administrator and let them know that you would like to set up an appointment to meet to register and complete any district paperwork for your student to become a full-time virtual student.
- 3) Once approved, you will receive an automatic email from Melissa Kowieski at MyDistrict Virtual School explaining how to create your student's K12 account.
- 4) Once the K12 account has been created, materials and curriculum will be ordered. It takes about 2 weeks to get materials delivered to your home.
