POLICY 8300 - CONTINUITY OF ORGANIZATIONAL OPERATIONS PLAN

This new policy includes the following key points:

1. The primary objective of the COOP policy is to provide a structure whereby key District personnel can work together to identify the steps to be taken to restore the District's critical operational functions and the learning environment as quickly as possible after a crisis or threat event has occurred.
2. The Continuity of Organizational Operations Plan, once developed, is a confidential document, not subject to public records disclosure.
