May 19, 2021

Dear Parents:

Please complete the attached Student Information Form and return it to the front office on or before Friday, May 28, 2021. School personnel will use the information you provide when assigning your child to a classroom for the 2021-2022 school year.

The Suwannee County School System will not honor requests for specific teachers, as it is important for us to have maximum flexibility to create balanced, equitable classrooms that will best meet all students' academic needs. We know it is critically important to build a strong educational foundation, which will provide the opportunity for all children to achieve or exceed Florida's Standards for each grade level.

Thank you for taking the time to help us plan appropriately for the success of all our students. If you have questions, or would like further information, please do not hesitate to contact the front office.

Sincerely,

Jennifer Beach, Principal
Suwannee Springcrest Elementary
