

Online VPK Enrichment Program Credit Card Payments are offered by a third party - OSP by Edlio.

You may go directly to the school payment website by entering

<https://osp.osmsinc.com/WashingtonFL>

In the top right corner, you will see the person outline to enable you to create an account. You will add your student's ID number under Student Profile as part of your account.

**Student ID numbers can be found on your Parent Portal. On the Overview page, select More Info, then Student Info. It will be on the general page labeled Local Student Info #. You may also come into the VES Office to retrieve it, please bring your ID.*

After creating your account, return to the home page.

Vernon Elementary School VPK is listed in the

category of Childcare and the

dropdown option of Vernon Elementary Aftercare.

Select the appropriate activity that has your child's teacher listed and add to cart.

Your receipt will generate through the website.

To review transaction history, go to the My Account tab and drop down to view Order History.
