## GREAT AMERICAN SCHOLAR

Dear Parents,

This year our Great American Scholar Program will run from October through December. Every child will have the opportunity to go above and beyond and participate in this fabulous extension program.

The program is designed so that children will be able to expand their knowledge of the United States of America by accepting certain challenges presented each month. It is an optional program and the students that choose to participate will be rewarded by receiving an invitation to a very special red, white and blue luncheon ceremony. The ceremony is held in February. Local politicians, military personnel, first responders and school board members are invited to come and celebrate the students' patriotism and dedication to excellence.

Your child's grade level will send home their requirements with more specific time frames. Thank you for your support!
