

Suwannee Opening Options 2020-2021

Traditional Return to School	HYBRID Return to School	Suwannee Virtual School	Home Education Program
Traditional School	A combination of required consultation attendance at the school site and distance learning.	Full virtual model – completely online with some face-to-face supports.	Full home model – method of instruction chosen by parent.
Students will have from 1 to 6 teachers, depending upon grade level and school scheduling model.	Students will be assigned a “learning coach” to assist parents with online instruction. The learning coach will act as a liaison between the parent and the school.	Students will have from 1 to 6 teachers, depending upon grade level and the number of courses they are taking.	Parent is teacher Parent arranges teacher
Students must be enrolled full-time in their traditional school. Part-time enrollment is not an option in this model.	Student is still a member of their assigned school but takes all classes with their Learning Coach on a digital platform.	Full-time virtual school students are only enrolled at SVS. Students are no longer associated with their traditional school. Many district students are enrolled <i>part-time</i> for extra classes at SVS, they are dual enrolled in their home school and SVS.	Most home education students are full home education. A home education student may enroll in a traditional classroom for up to three classes with the permission of the school principal – based on space available.
Students can participate in on campus activities/sports/events as coordinated with school administration.	Students can participate in on campus activities/sports/events as coordinated with school administration.	Full-time SVS students can only participate in SVS events/activities.	Home education students have limited opportunities to participate in school events.
Attendance will be required daily as prescribed in the SCSD Code of Conduct.	Attendance will be monitored and required. Information on method of taking attendance will be supplied by the learning coach.	Attendance is documented through regular daily participation in online courses.	No attendance documentation is required by the district.
Chromebooks will be issued to all students in grades K-12.	Chromebooks will be issued to all students in grades K-12.	Chromebooks will be issued to all full-time students in grades K-12.	No district technology devices provided.
Digital content will be supplied for each course offered in the traditional classroom.	Students will have access to the same digital content that is supplied to the traditional model students.	Suwannee Virtual School utilizes an approved Florida Virtual Instruction Provider – Edgenuity for K-12 instruction.	Digital content is not provided for home education students. Parents supply content.
Progress monitoring will be required.	Progress monitoring will be required.	Progress monitoring will be required.	No progress monitoring requirement. Parent supplies progress monitoring resources.
