Career and Technical Education
Suwannee County School Board through RIVEROAK Technical College &
District School Board of Madison County
Career Pathways Articulation Agreement
2017-2018

Articulation is a method of granting Post-Secondary Adult Vocational (PSAV) clock hours earned while completing a Secondary Career and Technical Education course learning and skills accomplished as part of secondary school instruction. Each school district and RIVEROAK Technical College (RTC) will maintain the integrity of their separate programs and enter into this agreement as cooperating educational institutions.

RTC will work with the school district to establish Career Pathways to serve Career and Technical Education (CTE) students. Additional agreements may be developed during the year, and this agreement will be amended as those agreements are completed.

Student Qualifications

Students must meet all RTC admission requirements and present evidence of the following:

1. Successful completion of the articulated secondary technical program of study with a grade of 3.0 (on a 4.00 scale) or better.
2. Completion of RIVEROAK Technical College placement testing requirements.
3. Must be a graduate from secondary school no more than 18 months prior to enrollment at RIVEROAK Technical College.
4. Enrollment in a certificate program appropriate to the PSAV clock hours shall be awarded upon completion of the program's entrance examination (if required) or verification of an industry certification earned (prior to enrollment).

Procedure

1. Secondary school guidance departments shall provide evidence of program completion and additional requested information to the RTC's Career Pathways contact. Evidence may include: official student transcripts, student report cards and/or applicable nationally recognized industry certifications.
2. RTC's Career Pathway Specialist will issue a letter to students who have successfully completed the secondary Career Pathway program as reported by the secondary school guidance department contact informing students of the Career Pathway articulation agreement opportunities.
3. High school credit earned under this articulation agreement will be entered into the student's record after the student has completed 150 PSAV clock hours in the program in which the certificate is to be awarded

4. Comprehensive exams may be completed by students who have not earned the industry certification associated with the program of study.
5. A letter grade for the course will be assigned by the RIVEROAK Technical College based on the student's performance on the student competency exam.

Conditions of Agreement

1. District School Board of Madison County faculty members and RTC faculty members will review course textbooks, syllabi, and other institutional materials as needed in order to develop articulated programs of study.
2. District School Board of Madison County and RTC will review the list of articulated programs of study annually. Changes will be made as necessary based on changes in program offerings and outcomes.
3. District School Board of Madison County and RTC will cooperate in publicizing this program to secondary school students in order to ensure that they are aware of these opportunities.
4. RTC will not charge tuition for any courses for which a student receives articulated credit.

This agreement may be terminated at any time by either District School Board of Madison County or RIVEROAK Technical College through providing thirty (30) days' notice. In the event of a termination, both agencies agree that students who are currently in secondary courses and working toward fulfilling the competencies or who are in their first semester at RTC will be allowed to complete the articulated credit.

This agreement will remain in effect and will be reviewed annually by the articulation committee and incorporated into the dual enrollment articulation agreement. The articulation committee will be composed of the Director, RIVEROAK Technical College; Coordinator of Career and technical Education, District School Board of Madison County; the North Florida Career Pathways Coordinator and others as so designated.

High School Career Pathway	Associated Industry Certification	RTC Program of Study/ Certificate	Assessment	Articulated Credit
Allied Health Assisting 8741700 Health Science Anatomy & Physiology 8741710 Health Science Foundations OCP A	FDMQA002 – Certified Nursing Assistant (CNA)	Patient Care Technician –PSAV Practical Nursing - PSAV	Completion of the high school program of study.
