

Dr. Taylor's United States History Class

Dear Parents and Students,

Welcome back to school for an exciting semester of learning and welcome to the Panther family. What follows is a list of rules, grading system, supplies needed for this class, how to access the internet to see if there are any assignments for the day, and the topics to be covered in the first nine-week period.

If you have Internet access, please list your e-mail address. This is usually the best method of communication. Also, students will be receiving information soon that will allow them to access their class period's Canvas site. On this website, you will be able to find the activities and assignments. If you have any concerns or questions, please contact me by using the following e-mail address: mctaylor@volusia.k12.fl.us.

**Sincerely,
Dr. Taylor**
