

August 2018

Dear Wilson Business Owner,

Will you join us in supporting Woodrow Wilson Middle School students, directly in the classroom? We are sending this letter to see if you are willing to partner with the WWMS Foundation, PTSA and School to ensure the continued success of our students in the classroom. We could not do what we do without Business Partners just like you! Expand your business with direct exposure to an active Wilson community through a variety of Business Partnership levels.

The WW Foundation and PTSA both play a crucial role in providing resources directly to the classroom in ways not available through state and local funding. The Foundation has provided a computer lab, restoration of the hardwood floors in the hallways, tables and umbrellas for outside the lunchroom, murals in the library, media center, lunchroom, and auditorium, SMART boards, additional classroom sets of textbooks, as well as professional development for teachers and staff. More recently, the Foundation has provided security cameras, short throw projectors, tablets, the video lab, and substitute teachers to cover while our classroom teachers are at trainings. Last year, the Foundation was able to direct nearly \$32,000 to the academic endeavors of our school. The PTSA supports the school with Community and Family Outreach programs, our Principal Roundtables and Spring Staff Appreciation Week as well as teaching materials, equipment and special projects. Through teacher grants, we provide educational enhancements in all subject areas that impact every student at Wilson. Business Partners are a critical part of this success! We offer flexible donation schedules to best suit your budget needs. Please know that ANY financial support is greatly appreciated! *Your partnership lasts one year from the receipt of your payment.*

Will you consider joining us as a valued Business Partner? Please complete the enclosed forms or visit our website at <http://www.wwmsbulldogs.org/bulldog-sponsors> to donate directly.

On behalf of the students, faculty, and families of Wilson, thanks you for your consideration. We look forward to calling you a Woodrow Wilson Middle School Business Partner!

Sincerely,
