From the Principal:

I hope that everyone has enjoyed a safe, restful, and fun-filled summer. The Suwannee Intermediate School Staff has been very busy preparing for an exciting school year. We are all committed to providing every child a secure, supportive, and healthy learning environment. As the school principal, I truly value a strong connection between school, home, and the community. It is a priority of the leadership team at SIS to connect with families and communicate with all in a transparent manner. Please feel free to pick up the phone and call Mr. Eakins or myself at any time, for any reason.

We are excited to welcome Stephanie Phillips, Darby Smith, MJ Kinard, Kim Cohen, and Kerry Palmer to our SIS family.

Our theme this year at SIS is "All Aboard the Energy Bus" - staying positive and overcoming challenges.

I look forward to working together so that all students will achieve success at SIS. Thank you for all you do!

Sincerely,
Jennifer Beach

"All Aboard the Energy Bus"

Research clearly shows that culture and leadership greatly influence a schools' learning environment and students' academic success. At SIS, we are serious about achievement and results, but also want to have fun and share positive energy in the process. "We believe in enjoying the ride and hope you do too."
