Confidentiality and Security Agreement

I understand that the Hospital or business entity (the "Hospital") for which I work, volunteer or provide services manages health information as part of its mission to treat patients. Further, I understand that the Hospital has a legal and ethical responsibility to safeguard the privacy of all patients and to protect the confidentiality of their patients' health information. Additionally, the Hospital must assure the confidentiality of its human resources, payroll, fiscal, research, internal reporting, strategic planning information, or any information that contains Social Security numbers, health insurance claim numbers, passwords, PINs, encryption keys, credit card or other financial account numbers (collectively, with patient identifiable health information, "Confidential Information").

In the course of my employment/assignment at the Hospital, I understand that I may come into the possession of this type of Confidential Information. I will access and use this information only when it is necessary to perform my job related duties in accordance with the Hospital's Privacy and Security Policies, which are available on the Hospital intranet (on the Security Page) and the Internet (under Ethics & Compliance). I further understand that I must sign and comply with this Agreement in order to obtain authorization for access to Confidential Information or Hospital systems.

General Rules:

1. I will act in the best interest of the Hospital and in accordance with its Code of Conduct at all times during my relationship with the Hospital.
2. I understand that I should have no expectation of privacy when using Hospital information systems. The Hospital may log, access, review, and otherwise utilize information stored on or passing through its systems, including email, in order to manage systems and enforce security.
3. I understand that violation of this Agreement may result in disciplinary action, up to and including termination of employment, suspension, and loss of privileges, and/or termination of authorization to work within the Hospital, in accordance with the Hospital's policies.

Protecting Confidential Information:

1. I understand that any Confidential Information, regardless of medium (paper, verbal, electronic, image or any other), is not to be disclosed or discussed with anyone outside those supervising, sponsoring or directly related to the learning activity.
2. I will not disclose or discuss any Confidential Information with others, including friends or family, who do not have a need to know it. I will not take media or documents containing Confidential Information home with me unless specifically authorized to do so as part of my job. Case presentation material will be used in accordance with Hospital policies.
3. I will not publish or disclose any Confidential Information to others using personal email, or to any Internet sites, or through Internet blogs or sites such as Facebook or Twitter. I will only use such communication methods when explicitly authorized to do so in support of Hospital business and within the permitted uses of Confidential Information as governed by regulations such as HIPAA.
4. I will not in any way divulge, copy, release, sell, loan, alter, or destroy any Confidential Information except as properly authorized. I will only reuse or destroy media in accordance with Hospital Information Security Standards and Hospital record retention policy.

5. In the course of treating patients, I may need to orally communicate health information to or about patients. While I understand that my first priority is treating patients, I will take reasonable safeguards to protect conversations from unauthorized listeners. Whether at the School or at the Hospital, such safeguards include, but are not limited to: lowering my voice or using private rooms or areas (not hallways, cafeterias or elevators) where available.
6. I will not make any unauthorized transmissions, inquiries, modifications, or purgings of Confidential Information. I will not access data on patients for whom I have no responsibilities or a need-to-know the content of the PHI concerning those patients.
7. I will not transmit Confidential Information outside the Hospital network unless I am specifically authorized to do so as part of my job responsibilities. If I do transmit Confidential Information outside of the Hospital using email or other electronic communication methods, I will ensure that the Information is encrypted according to Hospital Information Security Standards.

Following Appropriate Access:

1. I will only access or use systems or devices I am officially authorized to access, and will not demonstrate the operation or function of systems or devices to unauthorized individuals.
2. I will only access software systems to review patient records or Hospital information when I have a business need to know, as well as any necessary consent. By accessing a patient's record or Hospital information, I am affirmatively representing to the Hospital at the time of each access that I have the requisite business need to know and appropriate consent, and the Hospital may rely on that representation in granting such access to me.

Using Portable Devices and Removable Media:

1. I will not copy or store Confidential Information on removable media or portable devices such as laptops, personal digital assistants (PDAs), cell phones, CDs, thumb drives, external hard drives, etc., unless specifically required to do so by my job. If I do copy or store Confidential Information on removable media, I will encrypt the information while it is on the media according to Hospital Information Security Standards
2. I understand that any mobile device (Smart phone, PDA, etc.) that synchronizes Hospital data (*e.g.*, Hospital email) may contain Confidential Information and as a result, must be protected. Because of this, I understand and agree that the Hospital has the right to:
    a. Require the use of only encryption capable devices.
    b. Prohibit data synchronization to devices that are not encryption capable or do not support the required security controls.
    c. Implement encryption and apply other necessary security controls (such as an access PIN and automatic locking) on any mobile device that synchronizes Hospital data regardless of it being a Hospital or personally owned device.
    d. Remotely "wipe" any synchronized device that: has been lost, stolen or belongs to a terminated employee or affiliated partner.

5. I will immediately notify my manager, Hospital Information Security Official (FISO), Director of Information Security Operations (DISO), or Hospital or Corporate Client Support Services (CSS) help desk if:
   a. my password has been seen, disclosed, or otherwise compromised;
   b. media with Confidential Information stored on it has been lost or stolen;
   c. I suspect a virus infection on any system;
   d. I am aware of any activity that violates this agreement, privacy and security policies; or
   e. I am aware of any other incident that could possibly have any adverse impact on Confidential Information or Hospital systems.

Upon Termination:

1. I agree that my obligations under this Agreement will continue after termination of my employment, expiration of my contract, or my relationship ceases with the Hospital.
2. Upon termination, I will immediately return any documents or media containing Confidential Information to the Hospital.
3. I understand that I have no right to any ownership interest in any Confidential Information accessed or created by me during and in the scope of my relationship with the Hospital.

4. Statewide Assessments for SELECT Students

The following assessments are only intended for selected students/students in certain sub-groups. Populate the **District Window** column for the assessments in the table below. If an assessment is not being administered in your district, indicate "N/A" in the District Window column. Do not modify any other information in this section.

Because the tests included in this section are not administered to all students or, in some cases, are optional for students, the testing time for these tests should not be included in the total testing time calculated in Section 6.

[2] Any student taking an ELA Retake or EOC assessment who has not completed the session by the end of the allotted time may continue working up to half the length of a typical school day.

[3] If indicated, "applicable students" relates to the sub-group(s) of students who *may* take that assessment; it does not indicate that all students throughout the state in that sub-group will take that assessment. Assessments for which no applicable student group is listed are available to students as needed but are not limited to any specific sub-group.

[4] The FSA Algebra 1 EOC Assessment is only offered as a separate Retake assessment during the Spring administration; students retaking the FSA Algebra 1 EOC in Fall, Winter, or Summer participate in the regular EOC administration.

shall also provide liability insurance, background checks and finger printing on all students prior to clinical rotations at the healthcare facility.

Section 2. Duties of the Placement Site

7.2 This Agreement may be terminated by either party, with or without cause, by giving one hundred eighty (180) days prior written notice to the other party. The Clinical Site agrees to make its best efforts to ensure that any termination under this Subsection shall not take effect until students assigned to the Clinical Site have completed their clinical rotation.

7.3 This Agreement may be terminated immediately by either party upon the occurrence of any of the following:

(a) Either party's facilities are destroyed to such an extent that the program cannot be carried out adequately;

(b) Either party loses its license or accreditation; or

Either party is in default under any of the terms of this Agreement and fails to cure such default within sixty (60) days after receiving written notice of such default for the other party.

Section 8. Request for Withdrawal of Student

8.2 RTC may at any time withdraw any student whose progress, conduct or work does not meet the standards of RTC for continuation in the program.

Section 9. Amendments

9.1 This document contains the entire agreement between the parties hereto and supersedes all prior oral or written agreements with respect to the matter provided herein.

9.2 No amendment, modification or waiver of this Agreement shall be valid or binding unless set forth in writing and duly executed by the parties hereto.

Section 10. Indemnification

10.1 The Clinical Site shall indemnify and hold harmless SCSB and RTC from and against any and all claims, liabilities, damages, and expenses including, without limitation, reasonable attorneys' fees, incurred by SCSB in defending actions brought against it arising out of or related to the acts or omissions of the Clinical Site, its agents, officers, or employees in the provision of services or performance of duties by the Clinical Site pursuant to this Agreement.

Section 11. Governing Law and Venue

11.1 This agreement will be governed by and construed in accordance with the laws of the state of Florida. In the event of any litigation arising from this Agreement, the Parties agree that the exclusive state court forum for said litigation shall be in Suwannee County, in the court of appropriate jurisdiction.

11.2 The parties hereby knowingly, voluntarily and intentionally waive any right they may have to a trial by jury with respect to any litigation related to or arising out of; under, or in conjunction with this Agreement.
