- (C) In any negotiations described in this Agreement, neither party shall have any control over the selection of the bargaining representatives of the other party. It is recognized that no final agreement between the parties may be executed without ratification by a majority of those voting of the employees in the bargaining unit. The parties mutually pledge that their representatives shall be clothed with all necessary power and authority to make proposals, consider proposals and make concessions in the course of negotiations. ARTICLE VI
GRIEVANCE PROCEDURE

- (A) Purpose: The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may arise affecting the wages, hours, terms and conditions of employment for the employees. Both parties agree that these procedures will be kept as informal and confidential as may be appropriate at any level of the procedure.
- (B) Definitions:
1. The term "grievance" shall mean a written allegation by a grievant that a violation of any kind or character exists arising out of the interpretation or application of the terms of this Agreement.
 2. The term "grievant" shall mean an employee or group of employees or the Union filing a grievance.
 3. The term "employer" shall mean the School Board.
 4. The term "days" shall mean working days.
- (C) Time Limits: Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level is to be considered the maximum and every effort should be made to expedite the process before the deadlines are reached. Time limits may, however, be extended by mutual written agreement between the Union and the Superintendent.
- (D) End of Year Grievances: In the event that a grievance is filed at such time that it cannot be processed through all of the steps in the grievance procedure by the end of the institution's fiscal year, and if left unresolved until the beginning of the next year, could result in irreparable harm to the grievant or Union, the time limits set forth herein should be reduced so that the grievance procedure may be exhausted prior to the end of the institution's fiscal year or as soon thereafter as possible.
- (E) Released Time: Grievances will ordinarily be processed at times other than normal duty hours for any employee involved.
- (F) Filing: Within forty-five (45) days following knowledge of the act or condition, or the date when the act should have reasonably been known, whichever is earlier, which is the basis for the grievance, or prior to the end of the fiscal year (whichever occurs first), the grievant may file a grievance, with the immediate supervisor or designated representative.
- (G) Representation: All employees shall have the right of Union representation at each step of the grievance procedure. No grievant shall be required to discuss any grievance if the

EDUCATION STAFF PROFESSIONAL 2016-2019

Union representative is not present, and the presence of such Union representative has been requested.

Any individual employee or group of employees shall have the right at any time, other than the employee's normal duty hours, to present grievances to the designated representatives of the Board and to have such adjusted, without the intervention of the Union, as long as the adjustment is not inconsistent with the Agreement, and the Union has been given the opportunity to be present and make statements at such adjustment. Copies of the employer's decisions given at any step of the grievance procedure shall be speedily delivered to the Union. No grievance shall be submitted to arbitration without consent of, and representation by, the Union.

A grievant shall not be represented by any person who might be required to take action, or against whom action might be taken, in order to adjust the grievance, or by a representative of any other employee organization.

- (H) Informal Discussion: In the event that an individual employee believes there is a basis for a grievance, the first step in the procedure is for that individual to discuss the alleged grievance with the immediate supervisor or designated representative, either personally, or accompanied by the Union's representative. This does not preclude the employee from talking to the Union representative prior to the first step of the grievance procedure.
- (I) Level One: If, as a result of the informal discussion with the immediate supervisor or designated representative, a grievance still exists, the grievant may invoke the formal grievance procedure on a form signed by the grievant and a representative of the Union. A copy of the grievance form shall be delivered to the immediate supervisor or designated representative, who shall have five days after receipt of the grievance in which to hold a conference with the grievant and to give a written decision.
- (J) Level Two: If the grievance is not settled to the grievant's satisfaction, or if a written decision is not submitted within the designated time limit at Level One, the grievant may move the grievance to Level Two by written notice to the Superintendent or designated representative. The Superintendent, or the designated representative, shall have ten (10) days after receipt of the grievance in which to hold a conference with the grievant and to give a written decision.
- (K) Level Three: If the grievance is not solved at Level Two to the grievant's satisfaction, or if a written decision is not submitted within the designated time limits of Level Two, the grievant may move the grievance to Level Three by written notice to the Board. The Board shall have fifteen (15) days after receipt of the grievance in which to hold a hearing with the grievant and to give a written decision.
- (L) Level Four: If the grievance is not solved at Level Three to the grievant's satisfaction, or if a written decision is not submitted within the designated time limits of Level Three, the grievant may move the grievance to arbitration. If a grievance is moved to Level Four, the Union shall petition AAA for a list of three (3) qualified arbitrators. Upon receipt of the list, the Superintendent and the Union shall each strike one name from the AAA list.

EDUCATION STAFF PROFESSIONAL 2016-2019

The arbitrator shall confer with the representatives of the Board and the Union and hold hearings promptly and shall issue a decision not later than thirty (30) days from the date of the close of the hearings or final submissions. If the question of arbitrability is raised by the Board, the question shall be determined in the first instance by the arbitrator. The arbitrator's decision shall be in writing and shall set forth findings of facts, reasoning and conclusions on the issues submitted unless either the Union or the Board should request an expedited decision. The decision of the arbitrator shall be submitted to the Board and the Union and shall be final and binding upon the parties.

- (M) Cost: The cost of the services of the arbitrator, including per diem expenses, if any, and actual necessary travel, subsistence expenses and the cost of the hearing room, shall be borne equally by the Board and the Union; however, if the grievant chooses to take the grievance to arbitration without the consent of the Union, the grievant shall absorb all cost.
- (N) No Reprisals: No reprisals shall be invoked against any employee for processing a grievance or participating as described in this Agreement. No documents of any kind or form pertaining to the initiation, processing or settlement of any grievance whatsoever shall be placed in the personnel file of any employee.
- (O) Copies of employer decisions at all levels will be forwarded to the Union by Registered Mail or delivered in person in any grievance whatsoever, the same day it is delivered to the employee. No grievance may be submitted to arbitration without the knowledge of, and/or representation by, the Union.
- (P) Notwithstanding the expiration of this Agreement, any claim or grievance arising there under may be processed until resolution.

Coaches or sponsors may ask that a rental car be secured if no county vehicle is available. Agriculture students may be transported by bus to class at the agriculture farms.

(M) Custodial employees shall not be required to clean the restroom of the opposite sex while students are in attendance, except in case of emergency as determined by the school administrator.

(N) BUS ROUTE ASSIGNMENT

When more than one permanent bus driver applies for an open route, the selection shall be based on the needs of the school system, and the driver's ability to relate to the students and parents served by the open route. Seniority may be a consideration when the other factors listed above are equal.

(O) Effective through June 30, 1999, overnight storage for school buses shall be at the nearest of the following location to the route's first pupil stop:

1. The nearest bus garage or,

2. The route driver's home, providing 1) The driver/property owner shall indemnify the Board and hold it harmless for all personal property damage attributed to the school bus, 2) The bus shall be parked in a location that's accessible at all times to school board employees, 3) The bus shall be parked so that school board employees may approach the school bus without fear of animal attack, and 4) The bus shall be parked in a location away from trees and other objects that might damage the bus during stormy weather.

ARTICLE IX **EMPLOYEE AUTHORITY AND PROTECTION**

(A) Bus drivers, teacher aides, secretarial personnel and security personnel shall be permitted to refer students to the administration when they observe violations of the school rules and regulations.

(B)

1. Student discipline is based on student adherence to a normally-to-be-expected code of acceptable behavior and to acceptance of BUS RULES AND REGULATIONS and compliance with all requests incidental to bus routine from appropriate bus employees. Such code, rules and regulations shall be reviewed

EDUCATION STAFF PROFESSIONAL 2016-2019

with the students within ten (10) days after Labor Day, along with school and classroom behavior review, explaining the consequences of infringement.

2. The Board recognizes its responsibility, through (but not limited to) its principals, to give all reasonable support and assistance to bus drivers with respect to the maintenance of control and discipline on the bus. Whenever it appears that a particular student requires special attention or whenever it appears that the behavior of a particular student on the bus will interfere with the safe transportation of the balance of the students because of disruptions caused by said student, the Board through, (but not limited to) its principals shall take reasonable steps to provide such attention to aid the driver in meeting responsibilities within respect to such student. Suspension and/or corporal punishment may be imposed for serious or persistent infractions of normal good behavior when other corrective actions have been unsuccessful.
 3. All referrals on student disciplinary problems made by bus drivers shall be made on the approved disciplinary form and bus drivers will receive a copy of the form indicating actions taken by the administration.
- (C) Any case of assault upon any school-related employee shall be promptly reported to the immediate supervisor and/or school principal.
- (D) Time lost by an employee in connection with any incident covered in this Article shall be handled as follows:
1. Time for appearance before a judicial body or legal authority shall result in no loss of wages or reduction in accumulated leave;
 2. The employee involved must be subpoenaed for the legal appearance.
- (E) If a complaint or lawsuit is filed against any employee or any employee is sued as a result of any action taken by the employee while in legitimate pursuit of his/her employment, then the Board may, at its discretion, underwrite the cost of legal counsel and render assistance to the employee in his/her defense.
- (F) All newly employed personnel shall serve in a probationary status until continued status is obtained based on the following:
1. The initial annual contract shall include a 97-day probationary period during which time the employee's contract may be terminated without cause or the employee may resign without breach of contract.
 2. The employee must have completed 3 years of probationary service in the district, 1 year in which must be during or after 1994-95, during a period not in excess of 5 successive years, except for leave duly authorized and granted; and

EDUCATION STAFF PROFESSIONAL 2016-2019

3. The employee must have been recommended by the superintendent and reappointed by the school board based on successful performance of duties and demonstration of competence.

Continued status shall be effective at the beginning of the school fiscal year following completion of all requirements. A recommendation for annual reappointment of personnel in a probationary status shall be made as part of the agenda for the regular school board meeting in May of each school fiscal year. In recommending reappointment of school related personnel, the superintendent shall require a recommendation or evaluation from the employee's immediate administrative supervisor. The school board shall act on the superintendent's nominations for re-appointment no later than June 1.

- (G) Employees shall not be discharged, during the current year, except for just cause. This provision excludes 97 day probationary employees.

Continued status employees shall continue each year unless the superintendent charges the employee with unsatisfactory performance and notifies the employee in writing, no later than 4 weeks prior to the end of the employee's work year of performance deficiencies which may result in termination of employment, if not corrected during the subsequent year of employment. Except as otherwise hereinafter provided, this action may only be appealed by the following procedures:

1. On receiving notice of unsatisfactory performance, the employee, on request, shall be accorded an opportunity to meet with the superintendent or his designee for an informal review of the determination of unsatisfactory performance.
2. An employee notified of unsatisfactory performance may request an opportunity to be considered for a transfer to another appropriate position, with a different supervising administrator, for the subsequent year of employment.
3. During the subsequent year, the employee shall be provided assistance and in-service training opportunities to help correct the noted performance deficiencies. The employee shall also be evaluated periodically so that he will be kept apprised of progress achieved.
4. Not later than 4 weeks prior to the close of the employee's subsequent work year, the superintendent shall notify the employee, in writing, whether the performance deficiencies have been corrected. If the performance deficiencies have not been corrected, the superintendent may notify the school board and the employee, in writing, that the employee shall not be employed beyond the current year; however if the recommendation of the superintendent is not to continue employment, and if the employee wishes to contest such recommendation, the employee will have 15 days from receipt of the superintendent's recommendation to demand, in writing, a hearing. In such hearing, the employee may raise as an issue, among other things, the sufficiency of the superintendent's charges of unsatisfactory performance. Such hearing shall be conducted by the school

EDUCATION STAFF PROFESSIONAL 2016-2019

board within 45 days of receipt of the written appeal. A majority vote of the membership of the school board shall be required to sustain the superintendent's recommendation. The determination of the school board shall be final as to the sufficiency or insufficiency of the grounds for termination of employment.

(H) Employee Discipline

1. Disciplinary action may not be taken against an employee unless substantiated by evidence, which supports the recommended disciplinary action.
2. Where substantiated evidence warrants such action(s), an employee may be demoted, suspended, or dismissed upon recommendation of the immediate supervisor to the Superintendent. Unless circumstances warrant immediate disciplinary action, progressive discipline shall be administered as follows:
 - a. Oral warning with acknowledgment
 - b. Written reprimand
 - c. Suspension with or without pay
 - d. Dismissal by Board action
3. An employee against whom action is to be taken under this section shall have the right to review all documents or records relied upon to support the proposed action and shall be given a copy upon request.

ARTICLE X **TRANSFERS**

- (A) Employees that desire to transfer to another job location shall file a written statement of such desire, one copy of which shall be filed with the Superintendent or designee, and one copy shall be filed with the Union. Such request shall receive immediate review for possible recommendation by the Superintendent and shall, in addition, be reviewed once each year for the next one (1) year, to assure active consideration.
- (B) Voluntary transfer of an employee will be made on the following basis:
 1. Needs of the school system

EDUCATION STAFF PROFESSIONAL 2016-2019

3. Mutual agreement of employee and administration
 4. Contributions employee could make to the new position
 5. Opportunity for skills growth by the employee
- (C) Involuntary transfers, defined as a change in the employee's worksite or job description, may be made to provide a more adequate school program. Such involuntary transfers shall be limited to no more than two (2) transfers within a five (5) year period.

Employees may be assigned temporary duty for cross-training purposes or special projects at alternate worksites within the same department. These temporary duties may not exceed two (2) assignments for a maximum total of thirty (30) workdays per fiscal year.

The Board and UTSC recognize the fact that demographic shifts in student body and/or employees may necessitate the need to reorganize staff who are supervised from the district wide levels (i.e. custodians, bus drivers, food service, IT). In the event this need arises and all other avenues have been exhausted, including voluntary and involuntary transfers, a reorganization under these conditions would not be restricted by the limits on number of transfers.

- (D) Nothing in this Agreement shall be construed in such a way as to prohibit the Board from providing racial balance within different job classifications or work areas.

ARTICLE XI **REASSIGNMENT**

- (A) Employees who desire to be reassigned shall file a written statement of such desire, one copy with the supervisor or designee, and one copy with the Union. Such request shall receive an immediate review.

EDUCATION STAFF PROFESSIONAL 2016-2019

accrue one-half (1/2) day of sick leave for each month of payment. The unused portion of sick leave shall accumulate from year to year to the limit permitted by the State Statute. "Sick leave" shall be defined as personal illness or death of a member of his/her immediate family. "Immediate family" shall be defined as a spouse, parent, child, brother, sister, grandparent, parent-in-law, grandparent-in-law, brother-in-law, sister-in-law, or other close relative or dependent who resides within the employee's household.

2. Personal Leave: Each school term each employee shall be allowed six (6) work days personal leave to be charged to sick leave, to be used for the employee's personal business. The employee shall suffer no loss of pay for such leave. The employee shall not be required to give reasons for such leave, except that the leave is for "Personal Reasons".
3. Religious Holiday Leave: Two (2) work days each school year shall be provided for each employee for religious holidays not otherwise provided in the school calendar. (B) DISABILITY, ILLNESS-IN-THE-LINE-OF-DUTY LEAVE:

1. In case of disability, or illness-in-the-line-of-duty, the employee's wages shall continue in full without reduction in accumulated sick leave if the following conditions are met:

EDUCATION STAFF PROFESSIONAL 2016-2019

- e. Any workman's compensation payment received by the employee while he/she is on compensable leave shall be deducted from his/her gross salary or the check received from workman's compensation shall be endorsed to the school board.
2. Any person who has previously been granted ten (10) days of illness-in-the-line-of-duty leave by action of the board as follows:
- a. The employee shall file a certificate signed by a licensed physician designated by the school board stating the employee is unable to return to duty because of the injury or illness for which the initial leave was granted.
 - b. The employee shall agree to file a medical report, at such intervals as the superintendent may direct, showing that he/she is unable to perform his/her contractual duties.
 - c. The employee shall not engage in any type of work for which he/she will receive remuneration.
 - d. When the above conditions and requirements are met, the employee will be allowed additional illness-in-the-line-of-duty leave as determined by the school board; provided that the employee is under contract during the time of such leave and compensation.
 - e. Such additional leave shall be approved subject to the certificate in (a) above being submitted to the superintendent, for approval, prior to such leave being allowed and further that the certificate shall be dated at, or near the end of, the initial ten (10) days leave. When illness-in-the-line-of-duty is denied, in part or in full, the employee may use accumulated sick leave in accordance with appropriate policies.
- (C) VERIFICATION OF LEAVE: Upon return from leave as described in paragraphs "A" and "B" above, the immediate supervisor shall provide the employee with the necessary forms for verification of the reasons for absence. Such completed forms should be submitted to the immediate supervisor before the established date for submission of monthly payrolls. Failure to submit such forms prior to these dates shall mean a loss of pay for each such sick leave day for that month with such loss of pay being added back in the following month if forms are properly submitted prior to the end of the month in which the employee returned to duty.
- (D) Temporary duty with pay shall be granted to employees for the purpose of participating in approved in-service activities in the County Master Plan or in accordance with plans to be funded by the individual school budget and approved by the supervisor.
- (E) Any employee called for jury during school hours or who is subpoenaed to testify during school hours in any judicial or administrative matter, or who shall be asked to testify in

EDUCATION STAFF PROFESSIONAL 2016-2019

any arbitration or fact-finding shall be paid his/her full salary for such time. This provision excludes any personal litigation in which the employee may be subpoenaed.

- (F) The Board agrees to provide thirty (30) days leave, with pay, to be used by the Union President and/or his/her designee, provided attendance is required at all regular meetings of the Board, for the purpose of attending school board meetings, Union meetings, conferences, and conventions. This paid leave does not include per diem, travel or subsistence expense. Such approved person shall make a report of such visits, with one copy posted at each school and one copy filed with the Superintendent. The "Union President" refers to the overall Union President and the stated thirty (30) days are the same days as given in Article XXIII, Section (G) of the Agreement with teacher personnel.
- (G) There shall be, upon request, two (2) employees from each work area approved for personal leave with pay and no loss of sick leave to attend the funeral of any active or retired employee of Suwannee County to act as representatives of that work area. The request should be made as soon as possible. On the day of the funeral, employees shall be allowed to leave, at the discretion of the Superintendent, to pay respects to the family and friends of the deceased.

- (B) Pregnant employees may continue to work as late into the pregnancy as desired, provided they are able to carry out their normal duties.
- (C) An employee adopting a child less than one year old shall be entitled, upon request, to a leave, without pay, to commence at any time during the first year after receiving de facto custody of said child, or prior to receiving such custody if necessary in order to fulfill the legal requirements for adoption.

ARTICLE XIV
EMPLOYEE EVALUATION

The parties recognize that evaluation is something that is done with an employee and not to an employee. The parties further recognize the importance and value of developing a procedure for assisting and evaluating the progress and success of the newly employed and experienced personnel. Should any conflict occur between procedures identified below and the ratified Suwannee County School Related Personnel Assessment Plan, the Assessment plan shall prevail. Therefore, the following procedure shall be used to accomplish these goals with employees.

- (A) Each fiscal year, all employees shall be given a copy of the evaluation criteria and evaluation form. This shall include an explanation and discussion of the evaluation process and the means by which the criteria will be evaluated. This group and/or individual orientation to the evaluation procedure and process shall be completed by the end of the fortieth (40th) duty day of the fiscal year or of the employee's initial date of employment whichever is later.
- (B) Each employee shall be evaluated at least once a year by his/her immediate administrative supervisor or designee. An employee may be observed by his/her supervisor as often as is deemed necessary. All monitoring or observation of the work performance of the employee will be conducted openly and while the employee is on duty.
- (C) An optional post conference may be held at the request of either the administrator or the employee. The employee shall be given a copy of any completed observation instrument within ten (10) day after the assessment takes place. The evaluator and the employee shall sign the evaluation form. The signature of the employee shall indicate that the employee has read the form but does not necessarily mean that the employee agrees with its contents. All evaluations forms shall be filed in the Superintendent's Office each school fiscal year on the specified date. The signed evaluation form shall be placed in the employee's personnel file and the third copy given to the employee.
- (D) Any conference or hearing with an employee regarding discharge, demotion or other change in the employee's assignment or status shall be conducted in a manner so as not to abrogate the employee's rights according to the Florida School Laws, the rules and regulations of the State Board of Education and the provisions of this Agreement, and the Suwannee County Schools School Related Personnel Assessment Plan.
- (E) In cases where need for improvement is cited, the written evaluation will include a description of the weakness, the specific improvements desired and a statement of how the desired improvements are to be obtained as proscribed in the Suwannee County Schools School Related Personnel Assessment Plan.
- (F) A Task Force shall be appointed annually, with three (3) members appointed by the Superintendent and three (3) members appointed by the President of the Union for the

EDUCATION STAFF PROFESSIONAL 2016-2019

purpose of reviewing current employee evaluation instruments and forms and making specific recommendations for change as needed. The Task Force will investigate evaluation techniques used by other public employers and issue a written report to the Board and the Union within two (2) years of its inception. The report of the Task Force shall be used as a basis for any alterations in the manner or form of employee evaluations.

- c. Seven (7) points within one year will result in one day suspension without pay. Eight (8) points will result in three days of suspension without pay. - (B) When reduction of personnel is necessary, the Board shall try to meet such reduction with normal attrition and temporary employees within the classification to be reduced.
- (C) The Board shall determine the number of positions within a classification to be affected. In implementing a reduction in staff, the Board shall consider the total operation of the school system and the length of uninterrupted service in the school district. Every effort will be made to allow for any employee who would have qualified for retirement during the reduction year to be permitted to work that year so as to acquire needed service. If layoffs are to occur, a seniority list in accordance with the preceding requirements, shall be prepared by the Board and a copy given to the Union. The Board shall determine the individuals to be affected through a recommendation by the Superintendent who shall use the above criteria.
- (D) Should an opening occur within eighteen (18) months of layoff, employees shall be recalled in the reverse order of lay-off.
