## Investing in Students

Hillsborough County Public School District's referendum on the November 6th voting ballot will help to provide our schools with funding for various building improvements and upgrades on campuses, and provide funds for new construction to address overcrowding issues in many schools.

Robinson High School's noted projects on the school district's list are -

**Years 1 to 5: Air Conditioning Replacement or Overhaul, Fire Evacuation Improvements, Outdoor Court Replacement, Replace Public Address System, School Exterior Painting and Waterproofing Project, School Interior Repainting Project**  
**Years 6 to 10: Replace Fire Alarm System**
