

# 1, 2, 3, 4...

## **5th Grade Declares a Penny War!!**

**BEGINS:** WEDNESDAY, MARCH 3, 2021

**ENDS:** WEDNESDAY, MARCH 10, 2021

**LOCATION:** Outside 5th grade classrooms, 7:10-7:40 a.m. and online at <https://westchase.memberhub.com/>

### **HOW IT WORKS:**

Bring in pennies and put them in your class jug. Each penny gives your class 2 points in the war. Example: Bring in 20 pennies and your class gets 40 points.

Bring in any silver coins (nickels, dimes, quarters) or paper bills to sabotage the other classes by subtracting that amount from their total. Example: A quarter will take away 25 points and a dollar bill will take away 100 points.

New this year! Donations (and sabotages) also accepted via MemberHub!

<https://westchase.memberhub.com/>

### **PRIZE:**

The class with the highest number of points will win a pizza party.

**All of the money collected will go towards end of the year 5th grade activities.**
