Superintendent of Schools

November 2, 2020

Dear Parents and Guardians:

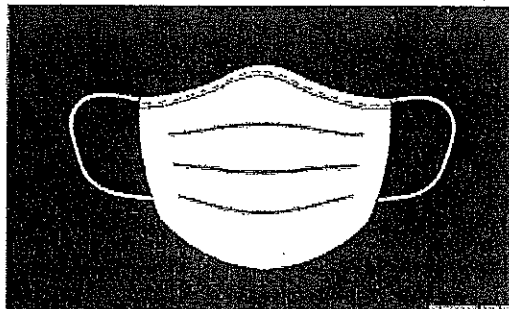

In our continuing efforts to provide students, faculty, and staff, a safe learning environment, the Suwannee County School District is proud to provide, FREE of charge, a cloth face covering to any parent that wishes to require their child to wear one during the school day, as the Centers for Disease Control (CDC) recommends.

Face coverings are available in the office of the school nurse at each school site location throughout the District, and will continue to be available for the duration of the 2020-2021 school year. Simply have your child visit the school nurse to obtain their free of charge, reusable, washable, face covering. You may also contact your child's school office for any questions, should your child encounter any problems receiving their face covering.

It is our desire to provide your child(ren) with the safest environment possible, while also protecting your decision as a parent regarding the health and welfare of your child.

Wishing you and yours a safe school year,

Ted L. Roush  
Superintendent of Schools

# Stop the Spread of Germs

Help prevent the spread of respiratory diseases like COVID-19.

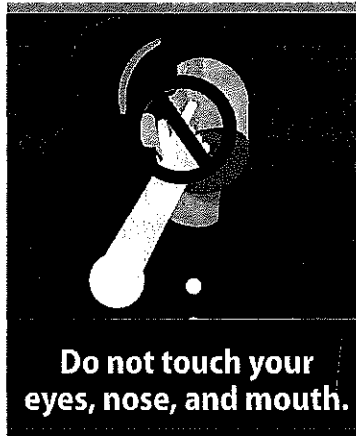

Stay at least 6 feet (about 2 arms' length) from other people.

Cover your cough or sneeze with a tissue, then throw the tissue in the trash and wash your hands.

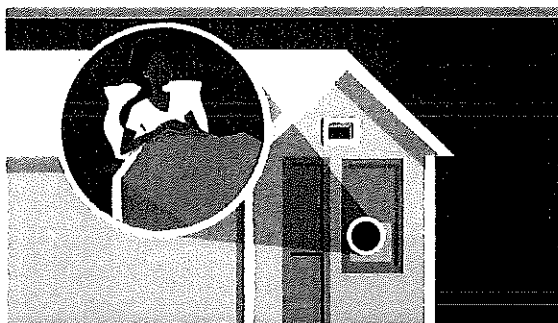

When in public, wear a cloth face covering over your nose and mouth.

Do not touch your eyes, nose, and mouth.

Clean and disinfect frequently touched objects and surfaces.

Stay home when you are sick, except to get medical care.

Wash your hands often with soap and water for at least 20 seconds.
