

Introduction to Photoshop

Class offered Monday nights (6 week course)

9/10/18 – 10/22/18 (no class 10/8) 6:30pm – 7:30 pm

Cost \$54 – sign up at Grayson Community School

Week 1

Learn basic Tool functions, Layer functions, Filters and Adjustment Options.

Week 2

Photo Collage:

Learn how to assemble photos, feather edges, crop, Text Tool, and all blending options.

Week 3

Promote your Business:

Learn Masking techniques, Color Correction and Clone Stamp Tool. Create Promotion material or original business card.

Week 4

Photo Restoration Scanning:

Learn Healing Tools and Patch Tools to restore old photos.

Week 5

Introduce Lightroom and how to sync your edits to all photos. Learn how to airbrush skin, clear acne, smooth wrinkles and edit unwanted areas on the face and body.

Week 6

Learn about print resolution and how to set up photos for print to ensure correct resolution and color balance. Finish up all photo projects from the class. Print and Matte your best photo!
