****SENIOR CELEBRATION****

A *Project Graduation Event

Dave & Buster's

Located at Sugarloaf Mills

Graduation Evening from 10:30 p.m. to 5:30 a.m.

Senior Celebration is an all-night, super-fun (drug and alcohol-free, of course) celebration for SENIORS ONLY on graduation evening! The all-night celebration starts with check-in at 10:30 p.m. and ends with breakfast and departure at 5:30 a.m. Graduates have all night to enjoy cosmic bowling, billiards, video games, and other entertainment ranging from a photo booth to a caricaturist. Plus there are raffle drawings all night long for great stuff! Graduates also receive unlimited food and sodas throughout the night!

The cost of admission is \$75 now and increases as the school year progresses. Don't delay, buy your tickets now! The quickest and easiest way to pay for this event is on the NHS website via www.MyPaymentsPlus.com **UNDER THE PTSA SECTION**. You may also pay by cash or check in the front office OR by bringing a check to the promotion table during Senior Week activities. You will be asked to complete a short form with student and parent/guardian contact information. PLEASE RESERVE YOUR SPOT TODAY – A LOT OF YOUR FRIENDS HAVE ALREADY SIGNED UP AND ARE PLANNING TO BE THERE!

EVERYTHING is included – no money is needed the night of the event!

Seniors have ALL night to enjoy ALL of the entertainment at Dave & Buster's!

NHS graduates rave every year about how much fun they had at this event!!

Please contact Melanie Williams-Pazol at 770-634-0951 or at Melanie.pazol@gmail.com or Jennifer Holley at jholley770@comcast.net with any questions or if you would like to volunteer to help with this great event. Parents are needed to help make this event the success it has been for years – whether chaperoning, planning, or fundraising. Please help make this a night for our graduates to remember!

**Norcross High School PTSA has joined Project Graduation, which is a national effort, to provide graduates with a safe and fun alternative to parties with alcohol and other drugs.
