

LET'S TALK

two-way teacher/family communication.

Parents will have the opportunity for a two way communication during the Schoolwide Parent Teacher conferences which will take place on October 18, 2018 and March 21, 2019.

Parents can request, at any time, a meeting with their student's teacher or counselor.

Visit Our Parent Center!

We have learning games, books, and many other resources available for families to use at home.

Parent Support Person name is available to help you find resources, navigate the Parent Portal, connect with teachers, and learn about ways you can help your student at home.

Our parent center is located in the Media Center.
Hours of operation: 7:30—2:30

Please contact Diana Bregeth for additional information about our parent center and resources available for check-out.

WHAT IS A SCHOOL - FAMILY COMPACT?

A School-Family Compact is a written agreement that outlines how the school, the student, and the family will work together to ensure your student's academic success.

An effective Compact contains the following elements:

- Clear learning goals that are linked to the school's improvement plan
 - Specific skills students will learn during the year
 - Strategies that staff, families and students will use to improve student learning
 - Ways to extend learning at home
 - Methods teachers and family members will use to communicate about student progress
 - Opportunities for parents/family members to observe and participate in the classroom
 - Jointly-developed by families, school staff, students, community business partners, and other stakeholders during our Planning Meeting
 - Revised each year
 - Reviewed throughout the school year
- School-Parent Compact will be available to view during the Title I Planning and Parent Meeting. The compact will be available on our Discovery's website as well as on MyPayments Plus.

OUR MISSION:

At Discovery High School we will provide all students with high quality curriculum and instruction in a supportive and effective learning environment.

Our School Goals:

We will provide all students with high quality curriculum and instruction in a supportive and effective learning environment to meet high academic standards.

Annual Goal #1 - Discovery High School will pursue 100% CCRPI Content Mastery with students in all subgroups scoring at the Proficient or Exemplary levels on the Georgia Milestones EOC assessments.

Annual Goal #2 - At Discovery High School 72% of first time test takers on the 2016-2017 Gateway will "Meet or Exceed" the standard in Science and 80% will "Meet or Exceed" the standard in Social Studies.

Goals of Gwinnett County Public Schools:

Language Arts: All students will graduate as analytical readers, writers, and communicators of language.

Math: Students are expected to demonstrate proficiency through a deep understanding of numeracy with the ability to compute with fluency, think critically, and communicate their mathematical reasoning effectively.

Sciences: Students will develop a strong content understanding in the earth, life, and physical sciences as well as develop problem-solving and critical-thinking skills.

Social Studies: Students will develop a strong understanding of themselves and their role and responsibility in society by discovering the heritage of their nation within a global context.

WORKING TOGETHER...

Discovery High School will...

- Conduct workshops to teach parents.
- Teach parents to locate practice exercise on edass and other web-based academic resources to be able to help their students.
- Post Educational links and resources on teachers web pages that parents can use to help students.
