MASTER INSTALLMENT PURCHASE AGREEMENT

This Master Installment Purchase Agreement is dated as of December 3, 2015 ("Master Agreement"), and entered into by and between Mercedes-Benz Financial Services USA LLC, a Delaware limited liability company ("Lender"), and The School Board of Suwannee County, Florida a body corporate and politic existing under the laws of the State of Florida ("Borrower").

1. Agreement. Borrower agrees to finance with Lender its installment purchase of certain "Equipment" as described in each Equipment Schedule (in substantially the form attached hereto as Exhibit A), which together with an Installment Payment Schedule (in substantially the form attached to such Equipment Schedule as Exhibit A-1) constitute a "Schedule", subject to the terms and conditions of and for the purposes set forth in the related Contract. Trucks, buses, other motor vehicles and other items of equipment and personal property may be financed under this Master Agreement from time to time by execution of individual Schedules by the parties hereto and as otherwise provided herein. Each Schedule and the terms and provisions of this Master Agreement (which includes all exhibits hereto, together with any amendments and modifications pursuant hereto) that are incorporated by reference into such Schedule shall constitute a separate and independent contract and installment purchase of the Equipment therein described and are referred to herein as a "Contract". In the event of any conflict in terms between a Schedule and this Master Agreement, the terms of the Schedule shall control in the interpretation of the Contract created thereby.

2. Term. The "Commencement Date" for each Contract is the date when interest commences to accrue under such Contract which date shall be the earlier of (a) the first date on which the Equipment listed in such Contract is accepted by Borrower in the manner described in Section 11 and the Funding Conditions under Section 8 with respect to such Contract have been satisfied, or (b) the first date on which the Funding Conditions under Section 8 with respect to such Contract have been satisfied and sufficient monies to purchase the Equipment listed in such Contract are deposited for that purpose into an Escrow Fund with an escrow agent as provided in Section 11, or (c) the date sufficient monies are set aside for acquisition of Equipment as evidenced in Exhibit D, if applicable. The "Contract Term" for each Contract means the Original Term and all Renewal Terms therein provided and for this Master Agreement means the period from the date hereof until termination of all Contracts thereunder. The "Original Term" means, with respect to a Contract, the period from the Commencement Date for such Contract until the end of Borrower's fiscal year (the "Fiscal Year") in effect at such Commencement Date. The "Renewal Term" for each Contract means each successive term having a duration that is coextensive with the Fiscal Year.

3. Representations and Covenants of Borrower. Borrower represents, covenants and warrants for the benefit of Lender on the date hereof and as of the Commencement Date of each Contract as follows: (a) Borrower is a public body corporate and politic duly organized and existing under the constitution and laws of the State of Florida ("State") with full power and authority under the constitution and laws of the State to enter into this Master Agreement and each Contract and the transactions contemplated hereby and thereby and to perform all of its obligations hereunder and thereunder; (b) Borrower has duly authorized the execution and delivery of this Master Agreement and each Contract by proper action of its governing body at a meeting duly called and held in accordance with State law, or by other appropriate official approval, and all requirements have been met and procedures have occurred to ensure the validity and enforceability of this Master Agreement and each Contract; (c) Borrower will do or cause to be done all things necessary to preserve and keep in full force and effect its existence as a body corporate and politic; (d) Borrower has complied with such public bidding requirements as may be applicable to this Master Agreement and each Contract and the acquisition by Borrower of the Equipment as provided in each Contract; (e) during the Contract Term, the Equipment will be used by Borrower solely and exclusively for the purpose of performing essential governmental or proprietary

functions of Borrower consistent with the permissible scope of Borrower's authority; (f) within 210 days after the end of each Fiscal Year, Borrower will provide Lender with a copy of its audited financial statements for such Fiscal Year, budgets and proof of appropriation for the ensuing Fiscal Year, and such other financial information relating to the ability of Borrower to continue each Contract as may be requested by Lender; (g) Borrower has an immediate need for the Equipment listed on each Schedule and expects to make immediate use of the Equipment listed on each Schedule; and (h) during the last ten years prior to the Commencement Date of the applicable Contract, Borrower's governing body has not failed (for whatever reason) to appropriate amounts sufficient to pay its obligations that are subject to termination or non-renewal for failure to appropriate funds.

4. **Tax Covenants and Representations; Tax Indemnity.** Borrower agrees that it will not take any action that would cause the interest portion of Installment Payments under any Contract to be or to become ineligible for the exclusion from gross income of the owner or owners thereof for federal income tax purposes, nor will it omit to take or cause to be taken, in a timely manner, any action which omission would cause the interest portion of Installment Payments under a Contract to be or to become ineligible for the exclusion from gross income of the owner or owners thereof for federal income tax purposes. Borrower agrees to (a) complete and file in a timely manner an information reporting return with respect to each Contract as required by the Internal Revenue Code of 1986, as amended ("Tax Code"); (b) rebate an amount equal to excess earnings on any escrow or other fund created with respect to a Contract to the federal government if required by, and in accordance with, Section 148(f) of the Tax Code, and make the determinations and maintain the records required by the Tax Code; and (c) so long as any Installment Payments under a Contract remain unpaid, moneys on deposit in any Escrow Fund created with respect to a Contract as provided in Section 11 will not be used in a manner that will cause such Contract to be classified as an "arbitrage bond" within the meaning of Section 148(a) of the Tax Code.

Borrower represents to Lender on the date hereof and as of the Commencement Date of each Contract that (i) Borrower has a substantial amount of the independent power to tax, the power of eminent domain or police power under applicable State law; (ii) neither Borrower nor any agency or unit of Borrower has on hand any property, including cash and securities, that is legally required or otherwise restricted (no matter where held or the source thereof) to be used directly or indirectly to purchase the Equipment under the related Contract; (iii) Borrower has not and will not establish any funds or accounts (no matter where held or the source thereof) the use of which is legally required or otherwise restricted to pay directly or indirectly Installment Payments under a Contract; (iv) Borrower does not intend to sell or otherwise dispose of the Equipment or any interest therein prior to the conclusion of the Contract Term of the related Contract; (v) the payment of the Installment Payments or any portion thereof under each Contract is not (under the terms of this Master Agreement or any Contract) directly or indirectly (A) secured by any interest in property used or to be used in any activity carried on by any person other than a state or local governmental unit or payments in respect of such property or (B) on a present value basis, derived from payments (whether or not to Borrower) in respect of property, or borrowed money, used or to be used in any activity carried on by any person other than a state or local governmental unit; (vi) the Equipment will not be used, directly or indirectly, in any activity carried on by any person other than a state or local government unit; (vii) no portion of the purchase price for the Equipment will be used, directly or indirectly, to make or finance loans to any person other than Borrower; (viii) Borrower has not entered into any management or other service contract with respect to the use and operation of the Equipment; (ix) Borrower has entered into, or will enter into, each Contract for the purpose of purchasing and acquiring the Equipment and not for the purpose of refinancing any outstanding obligation of Borrower more than 90 days in advance of its payment or prepayment date; and (x) the purchase price for the Equipment has been or will be paid directly by Lender to the supplier thereof, and no portion of the purchase price for the Equipment has been or will be paid to Borrower as reimbursement for any expenditures paid by Borrower more than 60 days prior to the Commencement Date of the applicable Contract or, if earlier, more than 60 days prior to any official action taken to evidence an intent to finance the Equipment on a federally tax-exempt basis.

If Borrower takes any action or fails to take any action (including, without limitation, breaching any covenant contained in this Section 4), or makes any misrepresentation herein or in any certificate or document required to be given in connection with this Master Agreement or any Contract, in any case which causes or results in the interest portion of Installment Payments under such Contract to be or become includible in gross income of the owner or owners thereof for federal income tax purposes, Borrower agrees to pay (subject to Section 7) promptly after any such determination of taxability and on each Installment Payment due date thereafter to Lender an additional amount determined by Lender to compensate such owner or owners for the loss of such excludability (including without limitation, compensation relating to interest expense, penalties or additions to tax), which determination shall be conclusive (absent manifest error).

Lender and Borrower intend that each Contract constitute a "conditional sale" for federal income tax purposes and, therefore, Lender and Borrower intend that Borrower be considered the owner of the Equipment under each Contract for federal income tax purposes.

5. **Financing Installment Purchase of Equipment.** Upon satisfaction of the Funding Conditions set forth in Section 8 with respect to a Contract and execution and delivery of such Contract, Lender advances funds to provide for, and Borrower borrows funds from Lender to finance, Borrower's installment purchase and acquisition of the Equipment in accordance with the terms thereof. The Contract Term for each Contract may be continued, solely at the option of Borrower, at the end of its Original Term or any Renewal Term for the next succeeding Renewal Term up to the maximum Contract Term set forth in such Contract. At the end of the Original Term and at the end of each Renewal Term the Contract Term shall be automatically extended upon the successive appropriation by Borrower's governing body of amounts sufficient to pay Installment Payments and other amounts payable under the related Contract during the next succeeding Fiscal Year until all Installment Payments payable under such Contract have been paid in full, unless Borrower shall have terminated such Contract pursuant to Section 7 or Section 22. The terms and conditions during any Renewal Term shall be the same as the terms and conditions during the Original Term, except that the Installment Payments shall be as provided in the applicable Contract.

6. **Continuation of Contract Term.** Borrower currently intends, subject to Section 7, to continue the Contract Term of each Contract through its Original Term and all of its Renewal Terms and to pay the Installment Payments and other amounts thereunder. Borrower reasonably believes that legally available funds in an amount sufficient to make all Installment Payments and other payments during the maximum Contract Term of each Contract can be obtained. Borrower currently intends to do all things lawfully within its power to obtain and maintain funds from which the Installment Payments may be made, including making provision for such payments to the extent necessary in each budget or appropriation request submitted and adopted in accordance with applicable provisions of law. Notwithstanding the foregoing, the decision whether or not to budget and appropriate funds or to extend the applicable Schedule for any Renewal Term is within the discretion of the governing body of Borrower.

7. **Non-appropriation.** Borrower is obligated only to pay such Installment Payments and other amounts under each Contract as may lawfully be made from funds budgeted and appropriated for that purpose. If Borrower's governing body fails to appropriate sufficient funds in any Fiscal Year to pay Installment Payments and other amounts when due under any Contract during the next succeeding Fiscal Year (an "Event of Non-Appropriation"), then (a) Borrower shall deliver written notice to Lender of such Event of Non-Appropriation at least 15 days prior to the end of the then current Fiscal Year, but failure to deliver such notice shall not extend the Contract Term; (b) Borrower shall be deemed not to have renewed the affected Contract for the next succeeding Fiscal Year; (c) on or before the Return Date, Borrower cease use of the Equipment covered by the affected Contract and peaceably remove and transfer title and deliver possession to Lender of all (but not less than all) of such Equipment, at Borrower's expense (but solely from funds legally available for such purpose) at such location in the State as is specified by Lender and in the condition required by Section 15

of this Master Agreement; and (d) the affected Contract shall terminate on the Return Date and Borrower shall not be obligated to make Installment Payments under the affected Contract after the Return Date, but will not be relieved of any obligations arising or accruing prior to such Event of Non-Appropriation including (without limitation) Borrower's obligation to pay all Installment Payments and other amounts payable under the affected Contract for which funds shall have been appropriated. "Return Date" means the last day of the Fiscal Year for which funds have been appropriated to pay Installment Payments due under a Contract. Under no circumstances shall the failure of Borrower to appropriate sufficient funds constitute a default or require payment of a penalty, or in any way limit the right of Borrower to purchase or utilize equipment or other personal property similar in function to the Equipment purchased under any Contract that is terminated as the result of the occurrence of an Event of Non-Appropriation. Borrower's covenant to transfer title and deliver possession to Lender of the Equipment covered by the affected Contract as provided in clause (c) of this paragraph shall survive termination of the such Contract.

If Borrower fails to deliver possession of, and title to, the Equipment under a Contract with respect to which an Event of Non-Appropriation has occurred, the termination of such Contract shall nevertheless be effective, but Borrower shall be responsible for payment of damages, to the fullest extent permitted under applicable State law, in an amount equal to the principal portion of Installment Payments thereafter scheduled to come due and for any other loss suffered by Lender as a result of Borrower's failure to transfer title to, and deliver possession of, such Equipment to Lender. Nothing in this Section 7 is intended, or shall be construed, to create a right in Lender to involuntarily dispossess Borrower of the legal title to or the use and possession of the Equipment under a Contract.

8. **Conditions to Lender's Performance.** This Master Agreement is not a commitment by Lender or Borrower to enter into any Contract not currently in effect, and nothing in this Master Agreement is intended or shall be construed to impose any obligation upon Lender or Borrower to enter into any proposed Contract, it being understood that whether Lender or Borrower enters into any proposed Contract shall be a decision solely within their respective discretion. Lender shall have no obligation to pay the purchase price for Equipment to a supplier or deposit any amount into an Escrow Fund as provided in Section 11 unless all reasonable conditions established by Lender ("Funding Conditions") have been satisfied, including, without limitation, the following: (a) Borrower has signed and delivered to Lender the Schedule and the related Escrow Agreement (if applicable); (b) no Event of Default or Event of Non-Appropriation shall have occurred and be continuing under any Contract; (c) no material adverse change shall have occurred in the financial condition of Borrower since the date of this Master Agreement; (d) the Equipment to be described in such Schedule is reasonably satisfactory to Lender and is free and clear of any security interests, liens or other encumbrances (except for the rights and interests of the Lender under this Master Agreement and the related Lease); (e) all representations of Borrower in each Contract remain true, accurate and complete; and (f) Lender has received all of the following documents, which shall be reasonably satisfactory, in form and substance, to Lender: (1) evidence of insurance coverage or self-insurance required by Section 17; (2) an opinion of Borrower's counsel in substantially the form attached as Exhibit C hereto; (3) if any items of Equipment are motor vehicles, properly completed certificates of title or certificates of origin (or applications therefor) for such vehicles and noting thereon Lender's rights and interests under the related Contract; (4) copies of resolutions by Borrower's governing body duly authorizing the Contract and incumbency certificates for the person(s) who will sign the Contract; (5) such documents, opinions and certificates as Lender may request relating to federal tax-exemption of the interest portion of Installment Payments payable under the Contract, including (without limitation) IRS Form 8038-G or 8038-GC and evidence of the adoption of a reimbursement resolution or other official action in the event that Borrower is to be reimbursed for expenditures that it has paid more than sixty days prior to the date on which the Funding Conditions are satisfied; (6) if applicable, a certificate of an authorized official of Borrower designating the Contract as a "qualified tax-exempt obligation" within the meaning of Section 265(b)(3) of the Tax Code; and (7) such other documents and information previously identified by Lender or otherwise reasonably requested by Lender.

Borrower shall cooperate with Lender in Lender's review of any proposed Contract. Without limiting the foregoing, Borrower will provide Lender with any documentation or information Lender may request in connection with Lender's review of any proposed Contract. Such documentation may include, without limitation, documentation concerning the Equipment and its contemplated use and location and documentation or information concerning the financial status of Borrower and other matters related to Borrower. Credit information relating to Borrower may be disseminated among Lender and any of its successors and assigns.

9. **Installment Payments.** Borrower shall promptly pay "Installment Payments" as described in Exhibit A-1 to each Contract, in lawful money of the United States of America, to Lender on the dates and in such amounts as provided in each Contract. Borrower shall pay Lender a charge on any Installment Payment not paid on the date such payment is due at the rate of 12% per annum or the maximum rate permitted by law, whichever is less, from such date until paid. Installment Payments consist of principal and interest portions as more fully detailed on the Schedule for each Contract. Lender and Borrower understand and intend that the obligation of Borrower to pay Installment Payments under each Contract shall constitute a current expense of Borrower payable solely from its general fund or other funds that are legally available for that purpose, including solely from funds arising from sources other than ad valorem taxation to the extent required by Section 125.031, Florida Statutes, as amended*, and shall not in any way be construed to be a debt of Borrower in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness by Borrower, nor shall anything contained in this Master Agreement or in a Contract constitute a pledge of the general tax revenues, funds or monies of Borrower or a pledge by Borrower of its faith and credit or its taxing power to pay Installment Payments or other amounts under any Contract. Neither Lender nor any assignee may compel the levy of any ad valorem taxes by Borrower to pay Installment Payments or any other amounts due under any Contract.

10. **INSTALLMENT PAYMENTS TO BE UNCONDITIONAL.** EXCEPT AS PROVIDED IN SECTION 7, THE OBLIGATIONS OF BORROWER TO MAKE INSTALLMENT PAYMENTS AND TO PERFORM AND OBSERVE THE OTHER COVENANTS AND AGREEMENTS CONTAINED IN EACH CONTRACT SHALL BE ABSOLUTE AND UNCONDITIONAL IN ALL EVENTS WITHOUT ABATEMENT, DIMINUTION, DEDUCTION, SET-OFF OR DEFENSE, FOR ANY REASON, INCLUDING WITHOUT LIMITATION ANY FAILURE OF THE EQUIPMENT TO BE DELIVERED OR INSTALLED, DISPUTES WITH ANY SUPPLIER OR VENDOR OF ANY EQUIPMENT OR LENDER, ANY DEFECTS, MALFUNCTIONS, BREAKDOWNS OR INFIRMITIES IN THE EQUIPMENT OR ANY ACCIDENT, CONDEMNATION OR UNFORESEEN CIRCUMSTANCES.

11. **Delivery and Acceptance by Borrower; Alternative Escrow Funding Procedure.** Borrower shall order the Equipment to be subject to a Contract, cause such Equipment to be delivered and installed at the location specified in such Contract, and pay any and all delivery, installation and other costs in connection therewith. When the Equipment listed in any Contract has been delivered and acceptance tested, Borrower shall immediately accept such Equipment and evidence said acceptance by executing and delivering to Lender an Acceptance Certificate (in substantially the form attached hereto as Exhibit B) whereupon, as between Lender and Borrower, the Equipment shall be deemed to have been unconditionally accepted by Borrower for all purposes of the applicable Contract. Subject to satisfaction of the Funding Conditions with respect to the related Contract, Lender shall pay to such supplier or vendor as directed by Borrower on the Commencement Date for such Contract the purchase price for such Equipment in an amount equal to the aggregate principal portion of Installment Payments under the applicable Contract, unless Lender and Borrower otherwise agree in the related Schedule. During the Contract Term of each Contract, Borrower shall be entitled to quiet use and enjoyment of the Equipment identified therein, subject to the terms of the applicable Contract.

* Limitations of Section 125.031 apply only to Florida counties and only if the term of the Contract exceeds 60 months.

Daimler
Truck Financial

As an alternative to acceptance of the Equipment and payment by Lender of the purchase price therefor on behalf of Borrower under a Contract as provided in the next preceding paragraph, Lender and Borrower may agree with respect to a Contract and the Equipment to be acquired and financed thereunder to enter into an escrow agreement (an "Escrow Agreement") relating to such Contract, dated the Commencement Date of such Contract, among Lender, Borrower and the escrow agent therein identified, relating to the creation and administration of an escrow fund (an "Escrow Fund") thereunder. Subject to satisfaction of the Funding Conditions with respect to the related Contract, Lender shall deposit funds into the related Escrow Fund on the Commencement Date for such Contract for payment of the costs to purchase and acquire the Equipment under such Contract, and such funds (including investment earnings thereon) shall be disbursed in accordance with the applicable Escrow Agreement. Borrower shall pay the excess (if any) of the actual costs of purchasing and acquiring the Equipment under a Contract over the amount deposited by Lender in the related Escrow Fund and interest earnings thereon.

During the Contract Term of each Contract, Borrower shall be entitled to quiet use and enjoyment of the Equipment identified therein, subject to the terms of the applicable Contract.

12. **Location; Inspection.** Once installed, no item of the Equipment will be moved from the location (or the base location with respect to motor vehicles) specified for it in the related Contract without Lender's prior written consent, which consent shall not be unreasonably withheld. Lender shall have the right at all reasonable times during regular business hours to enter into and upon the property where the Equipment is located for the purpose of inspecting the Equipment.

13. **Use; Maintenance.** Borrower will not install, use, operate or maintain the Equipment improperly, carelessly, in violation of any applicable law or in a manner contrary to that contemplated by the related Contract. Borrower shall provide all permits and licenses, if any, necessary for the installation and operation of the Equipment. In addition, Borrower agrees to comply in all respects with all applicable laws, regulations and rulings of any legislative, executive, administrative or judicial body. Borrower agrees that it will, at Borrower's own cost and expense, maintain, preserve and keep the Equipment in good repair and working order, in a condition comparable to that recommended by the manufacturer. Lender shall have no responsibility to maintain, repair or make improvements or additions to the Equipment.

Borrower shall not alter any item of Equipment or install any accessory, equipment or device on an item of Equipment if that would impair any applicable warranty, the originally intended function or the value of that Equipment. All repairs, accessories, equipment and devices furnished, affixed to or installed on any Equipment, excluding temporary replacements, shall thereupon become part of the Equipment subject to the related Contract.

14. **Title to Equipment; No Security Interest.** Upon Borrower's acceptance of any Equipment under a Contract, title to such Equipment shall vest in Borrower, subject to Lender's rights under such Contract; *provided, however*, that Lender shall have no security interest therein. Notwithstanding the obligations of Borrower to pay Installment Payments under a Contract, no Contract shall result in the creation of any lien, charge, security interest or other encumbrance upon the Equipment, and Lender shall have no right to involuntary dispossess Borrower of the use and enjoyment of or title to the Equipment.

Borrower hereby acknowledges and agrees that Lender shall be entitled to the benefit of the cash and negotiable instruments from time to time comprising each Escrow Fund and all proceeds (cash and non-cash) thereof, subject to the terms and conditions provided in the related Escrow Agreement.

15. **Return of Equipment.** In the event that Borrower determines to return the Equipment under a Contract to Lender or its assignee pursuant to Section 7 or 25 of this Master Agreement, Borrower agrees to transfer title to and deliver possession of the Equipment in the condition hereafter required by preparing and appropriately protecting the Equipment for shipment and surrendering the Equipment to Lender at the

location(s) in the State to be specified by Lender and in the condition required by Section 13. In the event of any such delivery of the Equipment to Lender, Borrower shall execute and deliver such documents as may reasonably be required to transfer title to and possession of the Equipment to Lender, free and clear of all liens to which the Equipment has become subject.

Upon such delivery of the Equipment to Lender, if the Equipment is damaged or otherwise made less suitable for the purposes for which it was manufactured than when delivered to Borrower (reasonable wear and tear excepted), Borrower agrees, at its option, to: (i) repair or restore such Equipment to the same condition in which it was received by Borrower (reasonable wear and tear excepted) and, at its expense, promptly return such Equipment to Lender (or to a location identified in a written notice to Borrower) or (ii) pay to Lender the actual cost of such repair, restoration and return, but solely from funds legally available for such purpose.

Upon receipt of possession of the Equipment under a Contract that is terminated by Borrower under Section 7 as the result of an Event of Non-Appropriation or by Lender pursuant to Section 25 as the result of an Event of Default, Lender may thereafter dispose of such Equipment; *provided, however,* that any proceeds from the disposition of such Equipment in excess of the sum required to pay (i) any amounts then due under the affected Contract and the principal portion of Installment Payments scheduled to come due after the termination date for such Contract and (ii) Lender's costs and expenses associated with the disposition of such Equipment, shall be paid to Borrower or such other creditor of Borrower as may be entitled thereto.

16. **Liens, Taxes, Other Governmental Charges and Utility Charges.** Borrower shall at all times protect and defend, at its own cost and expense, its title in and to the Equipment from and against all claims, liens and legal processes of its creditors and keep the Equipment free and clear of all such claims, liens and legal processes except those created by the related Contract. The parties to this Master Agreement contemplate that the Equipment under each Contract will be used for governmental or proprietary purposes of Borrower and that the Equipment will therefore be exempt from all property and other taxes. Nevertheless, Borrower shall pay promptly when due or reimburse Lender for, and hold Lender harmless from: (a) all titling, recordation, filing, registration, documentary stamp and other fees; (b) taxes (other than taxes calculated solely on the basis of Lender's net income), including but not limited to transfer, sales, use, excise, gross receipts, value added and personal property taxes; and (c) assessments and all other charges or withholdings of any nature (together with any penalties, fines or interest on any such fees, taxes, assessments, charges or withholdings) arising at any time relating to the Equipment or any Contract or with respect to the use, possession, acquisition, ownership, operation, delivery, return or other disposition of any Equipment or upon the Installment Payments, whether the same be assessed to Lender or Borrower. Borrower and Lender shall cooperate in providing each other with any appropriate resale or governmental exemption certificates, sale-for-lease exemption certificates and other similar documentation, if applicable. Unless otherwise required by applicable law, Borrower shall timely make all filings, reports or returns with respect to any applicable fees and taxes. If Lender is required by applicable law to make any such filing, report or return, Borrower shall promptly notify Lender in writing, provide Lender with all information required in order for Lender to timely file any and all of the same and pay all costs and expenses related thereto from legally available funds. Borrower shall pay all utility and other charges incurred in the use and maintenance of the Equipment as the same may become due.

17. **Insurance.** At its own expense, Borrower shall during the Contract Term of each Contract maintain (a) casualty insurance insuring the Equipment under such Contract against loss or damage by fire, collision and all other risks covered by the standard extended coverage endorsement then in use in the State and any other risks reasonably required by Lender, in an amount at least equal to the then applicable " Prepayment Price" of the Equipment as described in Exhibit A-1 of each Contract; (b) liability insurance that protects Borrower from liability in all events in form and amount satisfactory to Lender as set forth in the attachment hereto titled "Insurance Coverage Requirements"; and (c) workers' compensation coverage as required by the laws of the State; provided that, with Lender's prior written consent, Borrower may self-insure against the risks described in clauses (a) and (b). Borrower shall furnish to Lender evidence of such insurance or self-insurance

coverage throughout the Contract Term of each Contract. Borrower shall not materially modify or cancel such insurance or self-insurance coverage without first giving written notice thereof to Lender at least 10 days in advance of such cancellation or modification. Lender shall be named as a loss payee with respect to all casualty insurance described in clause (a) above and as an additional insured with respect to all liability insurance described in clause (b) above.

18. Advances. In the event Borrower shall fail to keep the Equipment in good repair and working order pursuant to Section 13 or to maintain any insurance required by Section 17, Lender may, but shall be under no obligation to, maintain and repair the Equipment or obtain and maintain any such insurance coverages, as the case may be, and pay the cost thereof. All amounts so advanced by Lender shall constitute additional consideration for the then current Original Term or Renewal Term under the affected Contract, and Borrower agrees to pay such amounts so advanced by Lender with interest thereon from the advance date until paid at the rate of 12% per annum or the maximum rate permitted by law, whichever is less.

19. Damage, Destruction and Condemnation. If (a) the Equipment or any portion thereof is destroyed, in whole or in part, or is damaged by fire or other casualty or (b) title to, or the temporary use of, the Equipment or any part thereof shall be taken under the exercise or threat of the power of eminent domain by any governmental body or by any person, firm or corporation acting pursuant to governmental authority, Borrower and Lender will cause the Net Proceeds to be applied to the prompt replacement, repair, restoration, modification or improvement of the Equipment to substantially the same condition as existed prior to the event causing such damage, destruction, or condemnation, unless Borrower shall have exercised its option to prepay its obligations under the related Contract pursuant to Section 22. Any balance of the Net Proceeds remaining after such work has been completed shall be paid to Borrower.

For purposes of this Section, the term "Net Proceeds" shall mean the amount remaining from the gross proceeds of any insurance claim or condemnation award or sale under threat of condemnation after deducting all expenses, including attorneys' fees, incurred in the collection thereof. If the Net Proceeds are insufficient to pay in full the cost of any replacement, repair, restoration, modification or improvement referred to herein, Borrower shall either (i) complete such replacement, repair, restoration, modification or improvement and pay any costs thereof in excess of the amount of the Net Proceeds from funds legally available for that purpose, or (ii) prepay its obligations under the related Contract pursuant to Section 22. The amount of the Net Proceeds, if any, remaining after completing such replacement, repair, restoration, modification or improvement or after prepaying its obligations under such Contract pursuant to Section 22 shall be retained by Borrower. If Borrower shall make any payments pursuant to this Section, Borrower shall not be entitled to any reimbursement therefor from Lender nor shall Borrower be entitled to any diminution of the amounts payable under Section 9.

20. DISCLAIMER OF WARRANTIES. BORROWER ACKNOWLEDGES THAT LENDER IS NOT THE SUPPLIER OR VENDOR OF ANY OF THE EQUIPMENT. LENDER MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE OR FITNESS FOR USE OF THE EQUIPMENT, OR WARRANTY WITH RESPECT THERETO WHETHER EXPRESS OR IMPLIED. AS BETWEEN BORROWER AND LENDER, BORROWER ACCEPTS ALL SUCH EQUIPMENT AS IS AND WITH ALL FAULTS. BORROWER AGREES TO SETTLE ALL CLAIMS WITH RESPECT TO THE EQUIPMENT DIRECTLY WITH THE SUPPLIER OR VENDOR AND WILL NOT ASSERT OR SEEK TO ENFORCE ANY SUCH CLAIMS AGAINST LENDER OR ITS ASSIGNEE. IN NO EVENT SHALL LENDER BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGE IN CONNECTION WITH OR ARISING OUT OF ANY LEASE OR THE EXISTENCE, FURNISHING, FUNCTIONING OR BORROWER'S USE OF ANY ITEM, PRODUCT OR SERVICE PROVIDED FOR IN ANY LEASE.

21. Vendor's Warranties. Lender hereby irrevocably appoints Borrower as its agent and attorney-in-fact during the Contract Term of each Contract, so long as Borrower shall not be in default under

such Contract, to assert from time to time whatever claims and rights (including without limitation warranties) relating to the Equipment that Lender may have against Vendor. The term "Vendor" means any supplier or manufacturer of the Equipment as well as the agents or dealers of the manufacturer or supplier from whom Borrower purchased or is purchasing such Equipment. Borrower's sole remedy for the breach of such warranty, indemnification or representation shall be against Vendor of the Equipment, and not against Lender. Any such matter shall not have any effect whatsoever on the rights or obligations of Lender with respect to any Contract, including the right to receive full and timely Installment Payments and other payments under each Contract. Borrower expressly acknowledges that Lender makes, and has made, no representations or warranties whatsoever as to the existence or the availability of such warranties by Vendor of the Equipment.

22. **Prepayment Option.** Borrower shall have the option to prepay all, but not less than all, its obligations under a Contract, upon giving written notice to Lender at least 30 days before the prepayment date, at the following times and upon the following terms: (a) on the Installment Payment due dates specified in such Contract, upon payment in full of the Installment Payments then due and all other amounts then owing under such Contract plus the then applicable Prepayment Price as referenced in Exhibit A-1 to such Contract, which may include a premium on the unpaid principal balance; or (b) in the event of substantial damage to or destruction or condemnation of substantially all of the Equipment listed in such Contract, on the day specified in Borrower's notice to Lender of its exercise of the prepayment option upon payment in full to Lender of the Installment Payments then due and all other amounts then owing under such Contract plus the then applicable Prepayment Price plus accrued interest from the immediately preceding Installment Payment due date to such prepayment date.

23. **Assignment.** Lender's right, title and interest in and to each Contract, including Installment Payments and any other amounts payable by Borrower thereunder and all proceeds therefrom, may be assigned and reassigned at any time and from time to time to one or more assignees or subassignees by Lender without the necessity of obtaining the consent of Borrower. During the term of this Master Agreement, Borrower shall keep, or cause to be kept, a complete and accurate record of all such assignments in form necessary to comply with Section 149 of the Tax Code. For this purpose, Borrower appoints Lender to act as its registration agent, which appointment Lender hereby accepts. Lender agrees on Borrower's behalf to maintain such record of all assignments. Borrower agrees to execute all documents that may be reasonably requested by Lender or any assignee to protect its interests and property assigned pursuant to this Section. Borrower shall not have the right to and shall not assert against any assignee any claim, counterclaim or other right Borrower may have against Lender or Vendor. Assignments may include without limitation assignment of all of Lender's rights and interests in and to the Equipment listed in a particular Contract and any related Escrow Fund and all rights in, to and under the Contract related to such Equipment and any related Escrow Agreement. Borrower hereby agrees that Lender may, without notice to Borrower, sell, dispose of, or assign any particular Contract or Contracts through a pool, trust, limited partnership, or other similar entity, whereby one or more interests are created in a Contract or Contracts, or in the Equipment listed in or the Installment Payments under a particular Contract or Contracts.

None of Borrower's right, title and interest in, to and under any Contract or any portion of the Equipment listed in any Contract or in any Escrow Fund may be assigned, subleased, or encumbered by Borrower for any reason without obtaining prior written consent of Lender, which consent may be withheld, conditioned or delayed in the sole discretion of Lender. Any purported assignment, sublease or encumbrance without Lender's prior written consent shall be null and void.

24. **Events of Default.** Any of the following events shall constitute an "Event of Default" under a Contract: (a) failure by Borrower to (i) pay any Installment Payment or other payment required to be paid under such Contract at the time specified therein or (ii) maintain insurance as required under such Contract; (b) failure by Borrower to observe and perform any covenant, condition or agreement contained in this Master Agreement or such Contract on its part to be observed or performed, other than as referred to in subparagraph (a) above, for a period of 30 days after written notice specifying such failure and requesting that it be remedied is given to

Daimler
Truck Financial

Borrower by Lender, unless Lender shall agree in writing to an extension of such time prior to its expiration; *provided* that, if the failure stated in the notice cannot be corrected within the applicable period, Lender will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by Borrower within the applicable period and diligently pursued until the default is corrected; (c) any statement, representation or warranty made by Borrower in or pursuant to any Contract shall prove to have been false, incorrect, misleading or breached in any material respect on the date when made; (d) Borrower institutes any proceedings under any bankruptcy, insolvency, reorganization or similar law or a receiver or similar official is appointed for Borrower or any of its property; or (e) an Event of Default occurs under any other Contract.

25. Remedies on Default. Whenever any Event of Default exists under a Contract, Lender shall have the right, at its sole option without any further demand or notice (except as provided in this Section), to take one or any combination of the following remedial steps: (a) by written notice to Borrower, Lender may declare all Installment Payments payable by Borrower pursuant to such Contract and other amounts payable by Borrower under such Contract to the end of the then current Original Term or Renewal Term to be immediately due and payable; (b) by written notice to Borrower, Lender may terminate such Contract and request that Borrower promptly transfer title and deliver the Equipment under such Contract to Lender or its assignee; (c) if Borrower returns Equipment to Lender under clause (b) of this paragraph, Lender shall dispose of such Equipment and apply the proceeds of such disposition as provided in Section 15; (d) upon termination of a Contract by Lender pursuant to clause (b) of this paragraph, Lender shall have the right to sue for compensatory damages, including upon failure of Borrower to transfer title to, and deliver possession of, the Equipment under such Lease to Lender as provided in Section 15; and (e) subject to the provisions of each Contract that restrict Lender's right to involuntarily dispossess Borrower of the Equipment, Lender may take whatever action at law or in equity may appear necessary or desirable to enforce its rights under such Contract. Borrower agrees to reimburse Lender for any expenses reasonably incurred by Lender with respect to the enforcement of any of the remedies listed above or any other remedy available to Lender, but only from funds legally available and appropriated for that purpose.

Nothing in this Section 25 is intended, or shall be construed, to create a right in Lender to involuntarily dispossess Borrower of the legal title to or the use and possession of the Equipment under a Contract. Lender hereby irrevocably waives any right to specific performance of any covenant of Borrower to transfer title to and return possession of the Equipment under a Contract.

26. No Remedy Exclusive. No remedy herein conferred upon or reserved to Lender is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under a Contract now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle Lender to exercise any remedy reserved to it in Section 25 it shall not be necessary to give any notice other than such notice as may be required in Section 25.

27. Notices. All notices or other communications under any Contract shall be sufficiently given and shall be deemed given when delivered or mailed by registered mail, postage prepaid, or delivered by overnight courier, to the parties hereto at the addresses listed below (or at such other address as either party hereto shall designate in writing to the other for notices to such party), or to any assignee at its address as it appears on the registration books maintained by Lender (as Borrower's registration agent as provided in Section 23).

28. General Indemnification. To the fullest extent permitted by State law, including (without limitation) the provisions of Section 768.28, Florida Statutes, as amended, Borrower shall indemnify, defend and hold harmless Lender from and against any and all liability, obligation, loss, claim, tax and damage whatsoever, regardless of cause thereof, and all expenses in connection therewith (including, without limitation, attorney's fees and expenses and court costs and expense) arising out of or as result of (a) entering into this Master Agreement or any Contract or any of the transactions contemplated hereby or thereby, (b) the ownership of any item of Equipment, (c) the ordering, acquisition, use, operation, condition, purchase, delivery, rejection,

Daimler

storage or return of any item of Equipment, (d) any accident in connection with the operation, use, condition, possession, storage or return of any item of Equipment resulting in damage to property or injury to or death to any person, and/or (e) the breach of any covenant of Borrower or any material representation of Borrower contained in this Master Agreement or a Contract. The indemnification and obligations arising under this Section shall be payable solely from funds legally available for such purpose and shall continue in full force and effect notwithstanding the full payment of all obligations under all Contracts or the termination of the Contract Term under all Contracts for any reason.

29. Miscellaneous Provisions. Each Contract shall inure to the benefit of and shall be binding upon Lender and Borrower and their respective successors and assigns. References herein to "Lender" shall be deemed to include successors and each of Lender's assignees and subsequent assignees from and after the effective date of each assignment as permitted by Section 23. In the event any provision of any Contract shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision thereof. Each Contract may be amended by mutual written consent of Lender and Borrower. Each Contract and this Master Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. The captions or headings in this Master Agreement and in each Contract are for convenience only and in no way define, limit or describe the scope or intent of any provisions or sections of this Master Agreement or any Contract. This Master Agreement and each Contract shall be governed by and construed in accordance with the laws of the State.

30. Waiver of Jury Trial. Borrower expressly waives any and all right to a jury trial in any dispute regarding or arising out of this Agreement.

IN WITNESS WHEREOF, Lender and Borrower have caused this Master Agreement to be executed in their names by their duly authorized representatives as of the date first above written.

Re: Schedule No. 1 dated December 3, 2015, that incorporates by reference the terms and provisions of the Master Installment Purchase Agreement dated as of December 3, 2015, between MERCEDES-BENZ FINANCIAL SERVICES USA LLC, as Lender, and The School Board of Suwannee County, Florida, as Borrower,

Ladies and Gentlemen:

As legal counsel to The School Board of Suwannee County, Florida, State of Florida (the "Borrower"), I have examined (a) an executed counterpart of a certain Master Installment Purchase Agreement dated as of December 3, 2015, and Exhibits thereto (collectively, the "Master Agreement"), by and between MERCEDES-BENZ FINANCIAL SERVICES USA LLC (the "Lender") and the Borrower, and an executed counterpart of Schedule No. 1, dated December 3, 2015 (the "Schedule"), by and between the Lender and the Borrower which, among other things, provides for the financing of certain property listed in the Schedule (the "Equipment"), (b) copy of the ordinances or resolutions of the governing body of the Borrower which, among other things, authorize the Borrower to execute the Agreement and the Schedule and (c) such other opinions, documents and matters of law as I have deemed necessary in connection with the following opinion. The Schedule and the terms and provisions of the Master Agreement incorporated therein by reference together with the Installment Payment Schedule attached to the Schedule are herein referred to collectively as the "Contract".

In rendering this opinion, I have assumed without inquiry:

(a) The authenticity of all documents submitted to me as copies of the originals and the conformity of such copies to the originals as they are finally executed and delivered by the Borrower and the Lender;

(b) That the Contract has been or will be duly authorized, executed and delivered by the Lender;

(c) That the Contract constitutes the valid, legal and binding obligation of the Lender enforceable against the Lender in accordance with its terms; and

(d) That the Contract accurately describes and contains the mutual understandings of the parties, and that there are not oral or written statements or agreements that modify, amend or vary, or purport to modify, amend or vary, any of the terms thereof.

Based on the foregoing, I am of the following opinion:

(a) The Borrower is a public body corporate and politic, duly organized and existing under the laws of the State, and has a substantial amount of one of the following sovereign powers: (i) the power to tax, (ii) the power of eminent domain, or (iii) police power;

(b) The name of the Borrower contained in the Contract is the correct legal name of the Borrower;

(c) The Borrower has the requisite power and authority to acquire and finance the Equipment and to execute and deliver the Contract and to perform its obligations under the Contract;

(d) The Contract has been duly authorized, approved, executed, and delivered by and on behalf of the Borrower and the Contract is a legal, valid and binding obligation of the Borrower enforceable in accordance with its terms, subject to (i) all applicable bankruptcy, reorganization, insolvency, fraudulent conveyance, moratorium and other similar laws; (ii) the qualification that certain waivers, restrictions and remedies provided for in the Contract, including without limitation certain indemnification obligations, may be wholly or partially unenforceable under Florida law; and (iii) general principles of equity:

(e) The authorization, approval, execution, and delivery of the Contract and all other proceedings of the Borrower relating to the transactions contemplated thereby have been performed in accordance with all open meeting laws, public bidding laws and all other applicable State laws; and

(f) To the best of my knowledge, there is no proceeding pending or threatened against the Borrower in any court or before any governmental authority or arbitration board or tribunal that, if adversely determined, would adversely affect the transactions contemplated by the Contract or its assigns, as the case may be, in the Equipment thereunder,

All of the opinions set forth above are also subject to the following qualifications, limitations and exceptions:

(a) The opinions expressed herein are limited to matters governed by the laws of the State of Florida. No opinion is expressed
regarding the laws of any other jurisdiction.

(b) The opinions expressed herein are based upon the law in effect on the date hereof, and I assume no obligation to revise or
supplement them if the law is changed by legislative action, judicial decision or otherwise.

EXHIBIT C

All capitalized terms herein shall have the same meanings as in the Contract unless otherwise provided herein. Lender, its successors and assigns, and any counsel rendering an opinion on the tax-exempt status of the interest portions of the Installment Payments, are entitled to rely on this opinion.

ACCEPTANCE OF INSTALLMENT PAYMENT OBLIGATION

Re: Schedule No. 1 dated December 3, 2015 that incorporates by reference the terms and provisions of the Master Installment Purchase Agreement dated as of December 3, 2015, between MERCEDES-BENZ FINANCIAL SERVICES USA LLC, as Lender, and The School Board of Suwannee County, Florida, as Borrower.

In accordance with the Master Installment Purchase Agreement described above (the "Master Agreement"), the undersigned hereby acknowledges and represents that:

All or a portion of the Equipment (as such term is defined in the Master Agreement) listed in the above-referenced Schedule (the "Schedule") has not been delivered, installed, or available for use and has not been placed in service as of the date hereof;

Borrower acknowledges that Lender has agreed to set aside funds in an amount sufficient to provide financing (to the extent requested by Borrower and agreed to by Lender) for the Equipment listed in the Schedule (the "Financed Amount");

The Financed Amount is set forth as the "Total Principal Portion" of Installment Payments in the Installment Payment Schedule attached to the Schedule as Exhibit A-1 ("Exhibit A-1"); and

Borrower agrees to execute a Payment Request Form, attached to the Master Agreement as Exhibit B, authorizing payment of the Financed Amount, or a portion thereof, for each disbursement of funds.

NOTWITHSTANDING that all or a portion of the Equipment has not been delivered to, or accepted by, Borrower on the date hereof, Borrower warrants that:

(a) Borrower's obligation to commence Installment Payments as set forth in Exhibit A-1 is absolute and unconditional as of the Commencement Date of the Schedule and on each date set forth in Exhibit A-1 thereafter, subject to the terms and conditions of the Master Agreement;

(b) Immediately upon delivery and acceptance of all the Equipment, Borrower will notify Lender of Borrower's final acceptance of the Equipment by delivering to Lender a "Final Acceptance Certificate" in the form set forth as Exhibit B to the Agreement;

(c) In the event that any surplus amount remains from the funds set aside or an Event of Non-appropriation under the Master Agreement occurs, any amount then remaining shall be applied or distributed in accordance with Lender's standard servicing procedures, which includes, but is not limited to, application of the remaining amount to the next Installment Payment and other amounts due; and

(d) Regardless of whether Borrower delivers a Final Acceptance Certificate, Borrower shall be obligated to pay all Installment Payments (including principal and interest) as they become due as set forth in Exhibit A-1, subject to the terms of the Master Agreement.

(e) Borrower understands and agrees that interest shall accrue on the entire Financed Amount as of the date hereof, and further understands and agrees that any interest earned shall be retained by Lender in consideration of managing the internal escrow account.

Ladies and Gentlemen:

As legal counsel to The School Board of Suwannee County, Florida, State of Florida (the "Borrower"), I have examined (a) an executed counterpart of a certain Master Installment Purchase Agreement dated as of December 3, 2015, and Exhibits thereto (collectively, the "Master Agreement"), by and between MERCEDES-BENZ FINANCIAL SERVICES USA LLC (the "Lender") and the Borrower, and an executed counterpart of Schedule No. 1, dated December 3, 2015 (the "Schedule"), by and between the Lender and the Borrower which, among other things, provides for the financing of certain property listed in the Schedule (the "Equipment"), (b) certified copy of the ordinances or resolutions of the governing body of the Borrower which, among other things, authorize the Borrower to execute the Agreement and the Schedule and (c) such other opinions, documents and matters of law as I have deemed necessary in connection with the following opinion. The Schedule and the terms and provisions of the Master Agreement incorporated therein by reference together with the Installment Payment Schedule attached to the Schedule are herein referred to collectively as the "Contract".

(d) That the Contract accurately describes and contains the mutual understandings of the parties, and that there are not oral or written statements or agreements that modify, amend or vary, or purport to modify, amend or vary, any of the terms thereof.

Based on the foregoing, I am of the following opinion:

(a) The Borrower is a public body corporate and politic, duly organized and existing under the laws of the State, ~~or~~and has a substantial amount of one of the following sovereign powers: (i) the power to tax, (ii) the power of eminent domain, or (iii) police power;

(b) The name of the Borrower contained in the Contract is the correct legal name of the Borrower;

(c) The Borrower has the requisite power and authority to acquire and finance the Equipment and to execute and deliver the Contract and to perform its obligations under the Contract;

(d) The Contract has been duly authorized, approved, executed, and delivered by and on behalf of the Borrower and the Contract is a legal, valid and binding obligation of the Borrower enforceable in accordance with its terms, subject to (i) all applicable bankruptcy, reorganization, insolvency, fraudulent conveyance, moratorium and other similar laws; (ii) the qualification that certain waivers, restrictions and remedies provided for in the Contract, including without limitation certain indemnification obligations, may be wholly or partially unenforceable under Florida law; and (iii) general principles of equity~~;~~.

(e) The authorization, approval, execution, and delivery of the Contract and all other proceedings of the Borrower relating to the transactions contemplated thereby have been performed in accordance with all open meeting laws, public bidding laws and all other applicable State laws; and

(f) To the best of my knowledge, there is no proceeding pending or threatened in any court or before any governmental authority or arbitration board or tribunal that, if adversely determined, would adversely affect the transactions contemplated by the Contract or the security interest of Lender or its assigns, as the case may be, in the Equipment thereunder.

All of the opinions set forth above are also subject to the following qualifications, limitations and exceptions:

Parents or Guardians:

Welcome to ***My Play-School***.

The RIVEROAK TECHNICAL COLLEGE has sponsored child care and education for preschoolers on its campus since 1967. We are excited about celebrating our 48th year.

My Play-School was developed to provide a model program for students who are enrolled in the Early Childhood Education program. This program provides learning experiences for those who want to work in preschools or other early childhood settings. The students are required to work in the center for a total of 480 hours to receive their certification.

Because ***My Play-School*** provides a learning experience for students, your child will be observed, videoed, and photographed for teaching purposes. All discussion of a child's behavior will be done for educational purposes in a professional manner.

We operate on an open door policy. If you ever have any questions or concerns, please let us know. We will be glad to help.

We thank you for allowing us to join with you in providing for the caring, educating, and nurturing of your developing child.

This institution is in compliance with Title VI of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1976, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990, which prohibits discrimination on the basis of race, creed, color, age national origin, sex or disability.

PROGRAM OVERVIEW

MISSION

The mission of *My Play-School* is to provide the highest quality educational program for children ages 3-5 in a laboratory school setting for training child care teachers.

PURPOSE

The purpose of *My Play-School* is to provide a model laboratory child care center for training high school and adult students who are currently enrolled in the Early Childhood Education (ECE) program and working towards the requirements for a Early Childhood Professional Certificate (ECPC) formally Child Development Associate Equivalency (CDAE) at *RIVEROAK TECHNICAL COLLEGE*. The students enrolled in ECE are required to work at least 480 hours in *My Play-School*. All students are required to follow Family and Children's Services requirements for Child Care Workers including background check, Affidavit of Good Moral Character, and Child Abuse check.

CURRICULUM OVERVIEW

The curriculum includes activities that develop the whole child. They stimulate social, emotional, physical, and intellectual growth within a child. We help the children learn how to learn and to become increasingly responsible for their own behavior. Curriculum activities are selected based on themes and the needs of the child from a variety of researched-based curricula such as *Doors to Discovery*. The primary VPK curriculum is DLM Early Childhood Express. The State of Florida directs the competencies the children are to achieve in the VPK classroom.

PHILOSOPHY

Children learn by doing. At *My Play-School* we understand this and provide hands-on learning activities. The children are encouraged to use decision making skills. They learn through experiences that they help create. These experiences encourage creative thinking and cooperative behavior as a part of learning. The school experience fosters a love of learning. Teachers maintain a positive attitude about the school experience for children and discipline is practiced as a learning experience for the child.

PROGRAM DESCRIPTION

PRESCHOOL PROGRAM

The Preschool program includes free choice activities, teacher-directed activities, and creative experiences in language arts, music, dance, art and crafts. The teaching concepts in reading, math and science are part of play/work, with emphasis on language and the creative abilities of the child. The educational goal is to help children learn to learn, become increasingly responsible for their own behavior, and to enhance their self-esteem. UNSCHEDULED DAYS

Unscheduled days for child care are limited to space availability. We will gladly try to provide this additional service for parents with emergencies or unscheduled events that require additional child care.

ENROLLMENT UPDATE

Near the end of the school year, you will be asked to respond to a questionnaire regarding your child's continued enrollment for the next year. A prompt response will be expected.

RECORD UPDATE

Any changes in address or telephone numbers must be reported to *My Play-School* as well as other pertinent changes. Any changes in authorized pick-up persons must be confirmed in advance.

THINGS YOUR CHILD WILL NEED AT SCHOOL

*An extra set of clothes (seasonal)
*Blanket/Small Pillow for Rest time (All Day Children)

LABEL EVERYTHING WITH YOUR CHILD'S NAME FOR EASY RECOGNITION.

We are having a problem with children bringing personal toys to school. While this may not be a problem for every family, a school rule to prohibit personal toys at school is necessary. Exceptions will be made for lovables such as blankets, stuffed animals, and pillows used to comfort the child during rest time or at very low moments of his or her day. Once a week on a designated day, a Share Day will be scheduled to provide children the opportunity to bring a toy to school to share. You will receive a memo when Share Day will start and on what day.

When a child brings a toy to school, a number of problems arise. **First**, sharing becomes a very difficult process. **Second**, the toy can often set the tone for the child's involvement or lack of involvement in school for that day. **Third**, the toy may be broken or lost.

Please feel free to speak to us about special items that may be brought for Show and Tell. Your cooperation in this matter is greatly appreciated.

DISCIPLINE POLICY

When the term **discipline** is used, we are specifically referring to a process of **teaching** and not punishing. Teaching in the context of discipline suggests that we are helping the young child to understand what is acceptable and what is unacceptable about his/her behavior as well as to help the child behave in a positive manner. *My Play-School's* philosophy is to make school a successful experience where children are praised for their good behavior and made to feel good about themselves. Discipline is teaching the child to think about his/her feelings and learn to control his/her actions. Children are encouraged to express their feelings, both positive and negative (love, hate, aggression), in constructive ways.

Time out is used to modify aggressive behavior. Staff is required to use this method to help the young child learn to control his behavior. We believe that the omission of this method will reinforce the aggressive behavior. In serious cases, parents will be required to have a conference with us to help resolve problems.

Time Away (time out) - Designated places (not always a chair, sometimes the arms of the teacher). We will try to be consistent about the place/chair that is used. The child will not receive threats nor be humiliated about this experience. It is largely the teacher's responsibility to make sure that the experience is working well for each child. That is, the teacher may have to insist that the child remains in time away or time out against his/her will.

No physical punishment is administered. Corporal punishment, using physical pain to discipline, is prohibited. Children will not be subjected to discipline or punishment which humiliates. Discipline is not associated with food, rest, or toileting. Spanking or any other form of physical punishment is strictly prohibited. Teachers are not allowed to shake, jerk, or push children with force.

Caution to our parents: Please do not attempt to spank your child while on our campus. This is likely to create, in the child, the thought that adults at school will spank him too. We would prefer that you learn the techniques that we use and help to reinforce them. *My Play-School* staff is committed to extending efforts to guide the social and emotional development of all children served. Occasionally, behavior problems will reach a level that makes the school day stressful for a young child. A form will be used to document unusual behavior that will require specific communication with the child's parent(s). In most cases, a conference with parents will be requested. Parents may be contacted and asked to remove their child for the remainder of the day.

HEALTH AND SAFETY

EMERGENCY EXITS

Please observe the fire evacuation signs posted by both doors of the center. We practice monthly fire, bomb, tornado, and lock-down drills. We will be located south of the playground next to the greenhouse during fire and bomb drills. We will be in the LAB during lock-down and in Student Services during tornado drills. For all fire and bomb drills, entrance streets will be CLOSED. During a lock-down, please do not stay on campus! **Children WILL NOT be released during a lock-down.** Go to a safe zone (Publix, Radio Shack) and call us (647-4229). Being on campus, during a lock-down is NOT safe for you.

ILLNESS AND MEDICATION

A sick child should remain at home; for the well-being of your child (give him/her time to recover) and to protect the other children at *My Play-School*. According to Florida's Child Care Standards (65C.22.004), children in care shall be observed on a daily basis for signs of communicable disease. Any child, child care personnel or other person in the child care facility suspected of having a communicable disease shall be removed from the facility or placed in an isolation area until removed. Such person may not return without medical authorization, or until the signs and symptoms of the disease are no longer present (24hrs.). With a child, the condition shall be reported to the custodial parent or legal guardian. Signs and symptoms of a suspected communicable disease include the following:

1. Severe coughing or make a whooping sound,
2. Difficult or rapid breathing,
3. Stiff neck,
4. Diarrhea and/or Vomiting (more than one abnormally loose stool or vomiting with a 24 hour period),
5. Temperature of 101 degrees Fahrenheit or higher when in conjunction with any other signs of illness,
6. Conjunctivitis (pink eye),
7. Exposed, open skin lesions,
8. Unusually dark urine and /or gray or white stool,
9. Yellowish skin or eyes, or
10. Other unusual sign or symptom of illness.

A child who has head lice shall **not** be permitted to return until treatment has occurred. Verification of treatment may include a product box, box top, empty bottle, or signed statement by a parent that treatment has occurred. The child will be rechecked before re-entering the classroom and must be free of all nits.

If any medicine is brought to the school to be administered, you **MUST** complete a School Authorization Form for Medication. Prescription and non-prescription medication brought to *My Play-School* by the custodial parent or legal guardian must be in the original container. Prescription medication must have a label stating the name of the physician, child's name, name of the medication, and medication directions. All medicines must have child resistant caps. All medicines are stored separately and locked or placed out of a child's reach.

HEALTH HISTORY

Please advise one of the Instructors (not an ECPC student) of injuries or situations that will require additional precautions at school.

FIRST AID

All staff members have Basic First Aid Certification and CPR. A First Aid Kit is kept in the cabinet above the sink in the kitchen. It is clearly marked with a red cross. The following is kept on hand at *My Play-School* in our First Aid Kits:

sterile gauze pads and rolls	tweezers	Disposable latex gloves
isopropyl alcohol	band-aids or equivalent	adhesive tape
thermometer (ear)	absorbent cotton	Pre-moistened wipes
cotton balls or applicators	scissors	an approved first aid manual

In the event that a child is involved in an accident causing physical injury at school, *My Play-School* staff will notify the parents, in writing, of the specifics of the accident and the nature of the injury. In the case of serious injury, an Instructor will evaluate the situation and notify parents immediately of any concerns.

In the case of an injury which the staff believes warrants professional medical attention, every effort will be made to contact the child's parents. Parents are strongly advised to keep the staff aware of their locations, especially when they deviate from their normal routines.

TOILETING ISSUES

All children entering *My Play-School* MUST be completely potty trained!! If a child has more than three toilet accidents in a 2 week period, they will have to be removed and may re-enter My Play-School after re-training is completed. These accidents may include constant wetting during naptime. Our students ARE NOT allowed to change or clean a child after a toilet accident. You, the parent, may receive a phone call from the staff to come and clean your child. You may not have to remove the child unless the child has a case of diarrhea. We, the staff, strongly encourage you to check your child after leaving the school to make sure that his/her bottom is clean so that they may not become chaffed or chapped. NO pull-ups are permitted.

SOILED CLOTHES

When preschool children have toileting accidents, the soiled clothes are not washed at school. They are placed in a plastic bag and stored in the container marked soiled clothes. A note will be placed in the parent's box to notify them.

CLEANING CUBBIES

At least once each week the cubbies are disinfected and cleaned. Please take all personal items (blanket/pillow, jackets) home on Friday so that cubbies may be cleaned Friday afternoon.

THE NUTRITION PROGRAM

MEALTIME

We provide the children with nutritious and well-balanced snacks and lunch. Snacks consist of at least two different food groups. Lunch consist of at least four different food groups.

We try to make eating time a very pleasant time. The student teachers sit with the children and eat with them. The children are allowed seconds and sometimes thirds. We do not force food on the children, but encourage them to taste it. We provide milk and 100% juice at lunch.

FOOD ALLERGIES

If your child has any food allergies, it is a MUST that you let us know. We keep a Food Allergies Notice on the refrigerator and in their file.

SPECIAL DIETS

If your child requires a special diet, see us so arrangements can be made.

BRINGING FOOD TO SCHOOL

On occasions parents are running late or in a hurry and the children need to bring their breakfast in, **make sure it is nutritious. Potato Chips, Little Debbie's, cookies, soft drinks and sugary juices do not count as nutritious.** ALL breakfast items brought into the classroom must be approved by staff (not an ECPC student). Inappropriate snacks will be returned to the parent. The other children can see what they are eating and they want it also.

The children DO NOT need to bring in their own snack, we provide it. We have also had problems with children bringing lunch boxes. We understand their reasoning for this but, PLEASE discourage this. The children think they have to eat their lunch instead of what is provided. This is not fair to the other children.

BIRTHDAY CELEBRATIONS

Most children like to celebrate their birthdays at school. If you would like your child to have a birthday celebration at school, please speak to us one week prior to his/her birth date.
We normally celebrate them during morning snack or afternoon snack depending on the child's schedule. Any food item brought in to share with the children must be purchased, not made at home.

COMMUNICATION BETWEEN STAFF AND PARENTS

DAILY COMMUNICATION

Communication between staff and parents is very important. Periodically, there will be Newsletters, Memos, Notices, and Announcements posted and in your mailbox. Check your mailbox daily.

CHECKING IN AND OUT

Parents are responsible for bringing their child into the school building and checking in. This will either be done by signing the sign-in sheet or using the computer. The parent then either escorts the child on in the center or tells them bye and a teacher will walk them in. When you pick up your child, be sure to check out either by signing the sign-out sheet or using the computer and let a teacher know you are taking your child. For the safety of your child you must adhere to this procedure.

It is policy to release you child only to designated parents, or persons listed in the child's file as approved by the parents to do so. Should someone other than the parent pick up the child, they must see one of the staff members for verification of approval for pickup and will be asked for proper identification.

REMEMBER....ALL CHILDREN FOR MY PLAY-SCHOOL MUST BE SIGNED-IN BEFORE 8:30 A.M.!!!

CLASSROOM CUBBIES AND MAILBOXES

Each child will have a cubby and a mailbox in the LAB. These should be checked daily for things to be taken home. For sanitation purposes, parents need to take their child's pillow and blanket home on Friday to be washed before returning them on Monday. Cubbies are disinfected and cleaned on Friday.

Mailboxes need to be checked daily. This is the most effective way for parents and staff to communicate.

CONFERENCES

Parents may request a conference with any of the staff members. You are not allowed to schedule one with the students alone. If there is a problem with any student, please see Mrs. Thomas. If a conference needs to be arranged, then the student, Mrs. Thomas and the parent will be present along with the school's counselor or principal. REMEMBER THESE STUDENTS ARE IN WELL-SUPERVISED TRAINING. **Students are NEVER permitted to Council, Advise, or Communicate (in place of staff) with parents.**
