RE: Agenda Item for January 12, 2016, Special Meeting

RECOMMENDATION:

The Superintendent recommends approval of the following agreement:

#2016-114 Business Associate Agreement between Suwannee County School Board and Gallagher Benefit Services, Inc. (New)

BACKGROUND:

The Board approved the District's health insurance renewal with Blue Cross Blue Shield of Florida, Inc., for plan year May 1, 2015, through April 30, 2016, at the special board meeting on January 13, 2015.

This business associate agreement related to the renewal was delayed due to the attorneys by the Board and Gallagher being able to arrive at a document in approval form for both parties. Consequently, retroactive approval is respectfully requested. This agreement is an integral part of the District's broker representation in regards to the health insurance benefits coverage.

This agreement has been reviewed and approved by Mr. Leonard Dietzen, Suwannee County School Board attorney.

(d) Business Associate agrees to provide access, at the request of Covered Entity, and in a reasonable time and manner designated by Covered Entity, to PHI in a Designated Record Set that is not also in Covered Entity's possession, to Covered Entity in order for Covered Entity to meet the requirements under 45 C.F.R. § 164.524.

by the Secretary to conduct an investigation with respect to PHI received from the Covered Entity.

(g) Business Associate agrees to document any disclosures of PHI that are not excepted under 45 C.F.R. § 164.528(a)(1) as would be required for Covered Entity to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. § 164.528.

(h) Business Associate agrees to provide to Covered Entity or an Individual, in a time and manner designated by Covered Entity, information collected in accordance with paragraph (g) above, to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. § 164.528.

(i) Business Associate agrees to use or disclose PHI pursuant to the request of Covered Entity; provided, however, that Covered Entity shall not request Business Associate to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by Covered Entity.

3. Permitted Uses and Disclosures of PHI by Business Associate.

(a) Business Associate may use or disclose PHI to perform functions, activities or services for, or on behalf of, Covered Entity provided that such use or disclosure would not violate the Privacy Rule if done by Covered Entity.

(b) Business Associate may use PHI for the proper management and administration of Business Associate and to carry out the legal responsibilities of Business Associate.

(c) Business Associate may disclose PHI for the proper management and administration of Business Associate and to carry out the legal responsibilities of Business Associate if:

(i) such disclosure is Required by Law, or

(ii) Business Associate obtains reasonable assurances from the person to whom the information is disclosed that such information will remain confidential and used or further disclosed only as Required by Law or for the purposes for which it was disclosed to the person, and the person agrees to notify Business Associate of any instances of which it is aware that the confidentiality of the information has been breached.

(d) Business Associate shall limit the PHI to the extent practicable, to the limited data set or if needed by the Business Associate, to the minimum necessary to accomplish the intended purpose of such use, disclosure or request subject to exceptions set forth in the Privacy Rule.

(e) Business Associate may use PHI to provide Data Aggregation services to Covered Entity as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B).

4. Obligations of Covered Entity Regarding PHI.

(a) Covered Entity shall provide Business Associate with the notice of privacy practices that Covered Entity produces in accordance with 45 C.F.R. § 164.520, as well as any changes to such notice.

(b) Covered Entity shall provide Business Associate with any changes in, or revocation of, authorization by an Individual to use or disclose PHI, if such changes affect Business Associate's permitted or required uses and disclosures.

(c) Covered Entity shall notify Business Associate of any restriction to the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 C.F.R. § 164.522, if such restrictions affect Business Associate's permitted or required uses and disclosures.

(d) Covered Entity shall require all of its employees, agents and representatives to be appropriately informed of its legal obligations pursuant to this Agreement and the Privacy Rule and Security Standards required by HIPAA and will reasonably cooperate with Business Associate in the performance of the mutual obligations under this Agreement.

5. Security of Protected Health Information.

(a) Business Associate has implemented policies and procedures to ensure that its receipt, maintenance, or transmission of all PHI, either electronic or otherwise, on behalf of Covered Entity complies with the applicable administrative, physical, and technical safeguards required protecting the confidentiality, availability and integrity of PHI as required by the HIPAA Privacy Rules and Security Standards.

(b) Business Associate agrees that it will ensure that agents or subcontractors agree to implement the applicable administrative, physical, and technical safeguards required to protect the confidentiality, availability and integrity of PHI as required by HIPAA Privacy Rules and Security Standards.

(c) Business Associate agrees to report to Covered Entity any Security Incident (as defined 45 C.F.R. Part 164.304) of which it becomes aware. Business Associate agrees to report the Security Incident to the Covered Entity as soon as reasonably practicable, but not later than 10 business days from the date the Business Associate becomes aware of the incident.

(d) Business Associate agrees to establish procedures to mitigate, to the extent possible, any harmful effect that is known to Business Associate of a use or disclosure of PHI by Business Associate in violation of this Agreement.

(e) Business Associate agrees to immediately notify Covered Entity upon discovery of any Breach of Unsecured Protected Health Information (as defined in 45 C.F.R. §§ 164.402 and 164.410) and provide to Covered Entity, to the extent available to Business Associate, all information required to permit Covered Entity to comply with the requirements of 45 C.F.R. Part 164 Subpart D.

(f) Covered Entity agrees and understands that the Covered Entity is independently responsible for the security of all PHI in its possession (electronic or otherwise), including all PHI that it receives from outside sources including the Business Associate.

6. Term and Termination.

(a) *Term.* This Agreement shall be effective as of the Effective Date and shall remain in effect until the Business Associate relationship with the Covered Entity is terminated and all PHI is returned, destroyed or is otherwise protected as set forth in Section 6(d).

(b) *Termination for Cause by Covered Entity.* Upon Covered Entity's knowledge of a material breach by Business Associate, Covered Entity shall provide an opportunity for Business Associate to cure the breach. If Business Associate does not cure the breach within 30 days from the date that Covered Entity provides notice of such breach to Business Associate, Covered Entity shall have the right to immediately terminate this Agreement and the underlying services agreement between Covered Entity and Business Associate.

(c) *Termination by Business Associate.* This Agreement may be terminated by Business Associate upon 30 days prior written notice to Covered Entity in the event that Business Associate, acting in good faith, believes that the requirements of any law, legislation, consent decree, judicial action, governmental regulation or agency opinion, enacted, issued, or otherwise effective after the date of this Agreement and applicable to PHI or to this Agreement, cannot be met by Business Associate in a commercially reasonable manner and without significant additional expense.

(d) *Effect of Termination.* Upon termination of this Agreement for any reason, at the request of Covered Entity, Business Associate shall return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. Business Associate shall not retain any copies of the PHI unless return or destruction is deemed infeasible. If the return or destruction of PHI is infeasible, Business Associate shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. For purposes of illustration only and not to limit the set of circumstances that could potentially make return or destruction infeasible, it would be infeasible for Business Associate to return or destroy certain PHI that is part of work product that must be

retained for document retention/archival purposes, as well as PHI that is stored as a result of backup e-mail systems that store e-mails for emergency backup purposes.

7. Amendment.

The parties may agree to amend this Agreement from time to time in any other respect that they deem appropriate. This Agreement shall not be amended except by written instrument executed by the parties.

8. Indemnification.

Business Associate shall indemnify and hold harmless Covered Entity from and against any and all costs, expenses, claims, demands, causes of action, damages, attorneys' fees and judgments that arise out of or that may be imposed upon, incurred by, or brought against Covered Entity to the extent directly resulting from a breach of this Agreement or any violation of the Privacy Rule or other applicable HIPAA regulations by Business Associate. The indemnification obligations provided for in this Section will commence on the effective date of this Agreement and will survive its termination.

The indemnification obligations provided for in this Section will commence on the effective date of this Agreement and will survive its termination.

9. Severability.

The parties intend this Agreement to be enforced as written. However, (i) if any portion or provision of this Agreement is to any extent declared illegal or unenforceable by a duly authorized court having jurisdiction, then the remainder of this Agreement, or the application of such portion or provision in circumstances other than those as to which it is so declared illegal or unenforceable, will not be affected thereby, and each portion and provision of this Agreement will be valid and enforceable to the fullest extent permitted by law; and (ii) if any provision, or part thereof, is held to be unenforceable because of the duration of such provision, the Covered Entity and the Business Associate agree that the court making such determination will have the power to modify such provision, and such modified provision will then be enforceable to the fullest extent permitted by law.

11. Regulatory References.

A reference in this Agreement to a section in the Privacy Rule means the referenced section or its successor, and for which compliance is required.

12. Headings and Captions.

The headings and captions of the various subdivisions of the Agreement are for convenience of reference only and will in no way modify or affect the meaning or construction of any of the terms or provisions hereof.

14. Binding Effect.

The provisions of this Agreement shall be binding upon and shall inure to the benefit of both Parties and their respective successors and assigns.

15. No Waiver of Rights, Powers and Remedies.

No failure or delay by a party hereto in exercising any right, power or remedy under this Agreement, and no course of dealing between the parties hereto, will operate as a waiver of any such right, power or remedy of the party. No single or partial exercise of any right, power or

remedy under this Agreement by a party hereto, nor any abandonment or discontinuance of steps to enforce any such right, power or remedy, will preclude such party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a party hereto will not constitute a waiver of the right of such party to pursue other available remedies. No notice to or demand on a party not expressly required under this Agreement will entitle the party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the right of the party giving such notice or demand to any other or further action in any circumstances without such notice or demand. The terms and provisions of this Agreement may be waived, or consent for the departure therefrom granted, only by written document executed by the party entitled to the benefits of such terms or provisions. No such waiver or consent will be deemed to be or will constitute a waiver or consent with respect to any other terms or provisions of this Agreement, whether or not similar. Each such waiver or consent will be effective only in the specific instance and for the purpose for which it was given, and will not constitute a continuing waiver or consent.

16. Governing Law.

In the event of any litigation arising from this agreement, the parties agree that the exclusive state court forum for said litigation shall be in Suwannee County, in the court of appropriate jurisdiction.

The parties hereby knowingly, voluntarily and intentionally waive any right it may have to a trial by jury with respect to any litigation related to or arising out of, under, or in conjunction with this agreement.

17. Interpretation.

It is the Parties' intent to comply strictly with all applicable laws, including without limitation, HIPAA, state statutes, or regulations (collectively, the "Regulatory Laws"), in connection with this Agreement. In the event there shall be a change in the Regulatory Laws, or in the reasoned interpretation of any of the Regulatory Laws or the adoption of new federal or state legislation, any of which are reasonably likely to materially and adversely affect the manner in which either Party may perform or be compensated under this Agreement or which shall make this Agreement unlawful, the Parties shall immediately enter into good faith negotiations regarding a new arrangement or basis for compensation pursuant to this Agreement that complies with the law, regulation or policy and that approximates as closely as possible the economic position of the Parties prior to the change. In addition, the Parties hereto have negotiated and prepared the terms of this Agreement in good faith with the intent that each and every one of the terms, covenants and conditions herein be binding upon and inure to the benefit of the respective Parties. To the extent this Agreement is in violation of applicable law, then the Parties agree to negotiate in good faith to amend this Agreement, to the extent possible consistent with its purposes, to conform to law.

Scope of Work for Suwannee County Strategic Plan Revision

Background & Project Need

In December of 2015, at the request of Suwannee County School Superintendent Scarborough, the Region II DA team conducted a Title I Analysis for the district. Superintendent Scarborough asked the team to assist him in determining how well Title I funds were being used to meet the academic needs of students receiving free or reduced price lunch in the district.

The Suwannee Title I department provided the team with access to three years' worth of data regarding allocations and expenditures at both the school and district level. The process involved meticulous examination of purchase orders as related to goals imbedded within the school improvement plans, and an exploration of trends in district and school spending. School achievement trends were noted for those three years as well.

The team then met and presented the data through a variety of visual representations that allowed the Superintendent and his leadership staff multiple opportunities to reflect and discuss how decisions regarding allocations and expenditures had been made. Region II problem solving facilitators assisted in capturing "noticings" and "wonderings" of the group during the entire presentation. During examination of school improvement goal alignment to Title I expenditures the Superintendent's suspicion that there was a lack of planning at both the district and school level was confirmed. His desire was to first revise the district's strategic plan in hopes that this would better assist schools in their own strategic planning. His belief is that this will result in an increase in student achievement.

Project Goal

To revise the district's strategic plan using a systematic planning process that engages relevant stakeholders in Suwannee County. The expectation is that this plan will consist of one page and serve as a guide for the district, schools, and community stakeholders. It will specify the vision, mission, performance goals, objectives, and benchmarks. The policies and strategies to achieve each strategic objective will be included.
