MEMORANDUM

TO: Florida High School Faculty, Counselors, and Principals

FROM: Dr. Erica Staebling, Barbara Shoplock, and Teresa Callahan
Co-Directors, 2020 Young Scholars Program
Office of STEM Teaching Activities, Florida State University

RE: Information for the 2020 Florida State University Young Scholars Program

We are pleased to announce the release of applications to the 2020 Florida State University Young Scholars Program, a prestigious six-week residential summer science and mathematics experience for outstanding students of Florida’s public and private high schools.

The application instructions and program information are available online.

2020 FSU Young Scholars Program Information
http://www.bio.fsu.edu/ysp/
Program Dates: June 14 through July 25, 2020
Application Deadline: February 15, 2020 – No Exceptions!

YSP continues to be freely accessible to all highly qualified students who meet the eligibility requirements detailed on the website. As in the past, room, board, and tuition are provided for every admitted student, funded by the Florida State University. Students with significant financial need may also apply for a supplemental program stipend to cover the cost of travel and books.

We are asking for your assistance in passing this information along to interested, qualified students and their parents. We have been most pleased with the quality and academic ability of past applicants and look forward to reviewing applications from your students, who will compete to participate in the 2020 program.

Should you have any questions or need further information about the 2020 Young Scholars Program, refer to the website or email us at ysp@bio.fsu.edu. Thank you for your assistance in making this opportunity available to your students.

Sincerely,

Erica M. Staebling
