## **Become A Family Or Community Partner Of The RHS Foundation**

### **DID YOU KNOW?**

The Robinson High School Foundation provides funds for improvements to our school when county funds are not available.

Money raised by the Foundation makes a big difference in the daily lives of our teachers and students. RHS Foundation provides teacher grants for classroom improvements and education. RHS Foundation supports our PTSA and makes improvements to the school grounds.

RHS Foundation funds paid for the outside lunch tables and the blue solar shade that covers the dining area. This investment alleviated overcrowded seating in the cafeteria, and students love it!

RHS Foundation funds also provided multiple water bottle filling stations on campus, and covered the cost of improvements made to the sound system in the auditorium.

RHS Foundation funds support The Cube, Robinson's parent volunteer College and Career Center located in the Media Center.

RHS Foundation funds allowed for the investment purchase of the Naviance Student software program. This program is a key component in helping students explore career and college options, as well as an administrative tool that RHS school counselors use to communicate with students and colleges.

### **Become Partner of Robinson High School Foundation (RHSF) and make our campus thrive!**

Many of our partnerships include tickets to our Appreciation Party later in the school year. The event will provide a great way to engage with other Robinson families. Additionally, we will have an online auction in the fall which will be open to all RHS families and friends.

**Any donation amount qualifies for a Family partnership in RHSF.  
Please help us reach our goal of 100% family participation!**

*It has never been easier to support our school! You can sign-up and pay for your partnership online at:*
