

Grady's Annual Summer Book Swap

Bring a Book-Get a Book

Do you have a good book- one that you just loved?

Help spread the love of reading by bringing that book and swapping it out for another one!

Things to know:

- Bring your book to school on Thursday, May 17th
- Students will be able to swap one book (even if they bring more).
- If you have several books-We would love the donation, as some students will not have a book to swap. This gives everybody the opportunity to participate.
- Please bring high interest books that you think your friends would enjoy reading.

So, search your bookshelves, your rooms, the car, and even grandma's house for a book to swap!
