Deland, FL 32720

Dear Mr. Beal,

This year the City of Daytona Beach and the Daytona International Speedway will be hosting a Truck Meet Event within the city limits of Daytona Beach. This event is scheduled for June 1 – 3, 2018 and is expected to bring several thousand visitors to our beaches. It is understood that this event also conflicts with several of the Volusia County School’s Graduations that are scheduled to be held at the Ocean Center, 101 N. Atlantic Ave.

In response to these events being held within the same weekend, the Daytona Beach Police Department is requesting school officials, parents, and participants to utilize the Main Street Bridge to assist in maintaining efficient traffic movement. Please note that there will be no trucks allowed over the Main Street Bridge. The Daytona Beach Police Department will have officers posted on each side of the Main Street Bridge to monitor and prevent traffic congestion. In addition the Emergency Operation Center will be open to answer calls during this time frame at 386-671-5555.

It is our request for this information to be disseminated to the schools and parents that would be impacted during this time frame. If you can accommodate this request it would be greatly appreciated. If there are any questions or concerns please feel free to contact my office at 386-671-5102 or the Event Planning Officer at Mehalkom@dbpd.us.

Sincerely,

Craig A. Capri,
Chief of Police
