

CHAPTER 7.00 - BUSINESS SERVICES

7.11 - Lost or Stolen Property

POLICY:

- (1) The principal or designee shall notify the following individuals when any school property has been vandalized, stolen, or lost:
 - (a) The proper law enforcement agency immediately to provide such information as may be available if the property is known to have been stolen;
 - (b) The District Office by telephone; and
 - (c) In writing with a copy of such notice being sent to the Superintendent.
- (2) The custodian of the property records shall prepare a written report and recommendations to the Superintendent if the property is not recovered within thirty (30) days.
