STUDENT NETWORK USAGE & INTERNET ACCESS AGREEMENT

Student Last Name _____ First _____ Middle _____ Appendix _____

Student ID _____ Grade _____ Date of Birth _____

PLEASE INDICATE YOUR UNDERSTANDING AND ACCEPTANCE OF GUIDELINES BELOW

- I understand The Suwannee County School District (SCSD) provides computers and network capabilities to students for the purpose of enhancing instruction through technological resources. K-5 classrooms are equipped with a class set of Chromebook devices for student use on campus. Students in grades 6-12 are issued a Chromebook device to use both on campus and at home, similar to the issuance of a textbook. If the device is damaged due to misuse, the parent/student may be responsible for the cost or repair not to exceed \$200 for a device damaged beyond repair.

- I understand The Suwannee County Schools Network is an electronic network which serves public education in accessing the Internet. The Internet is an “information highway” connecting thousands of computers and millions of individual people all over the world. Students, teachers, and support staff of Suwannee County Schools with network accounts have access to electronic mail (E-Mail) with the ability to communicate with people all over the world. Information, news, and data can also be received from a variety of world-wide sources.

- I understand With access to computers and people all over the world comes the availability of some material that may not be considered to be of educational value within the context of the school setting. Efforts have been made to direct participation to education-related materials only. However, on a global network, it is impossible to control all materials. The Suwannee County School Board has established Acceptable Use Guidelines for all users of technology and the Internet in the school system. ***If any user violates any of these guidelines, his/her access to the network may be terminated and appropriate disciplinary and/or legal action will be taken.***

ACCEPTANCE OF GUIDELINES

As the parent or guardian of this student (or self if enrolling as an adult student), I have read the Acceptable Use Guidelines for technology use and Internet use and understand that Internet access via the Suwannee County Technology Network is being provided for educational purposes only. I understand that I and my student must read and be familiar with the IT Policies and Procedures Handbook, which can be found on the District website on the Information Technology Department web page. I further understand that it is impossible for the Suwannee County School System to restrict access to all controversial materials, and I will not hold the Suwannee County School System responsible for materials acquired on the Suwannee County Technology Network. I also understand that if I (if enrolling as adult student) or my child violates any of the rules of the Acceptable Use Guidelines, the Student Code of Conduct, or the Suwannee County School Board Policies/Rules regarding technology or Internet use, appropriate disciplinary/legal action will be taken.

- I understand This agreement will be in effect until rescinded through a written request by me, the undersigned.

The SCSD reserves the right to release "directory information" to the general public without obtaining prior permission from students or parents/guardians. Directory information includes the student's name, parent/guardian names, residential address, telephone number (if listed), date and place of birth, name of most recent previous school or program attended, participation in school sponsored activities and sports, height and weight of athletic team members, dates of school attendance, anticipated graduation date, honors and awards received, and diploma conferred. However, a student or his/her parents may notify the principal of the desire NOT to have directory information released. In that case, this information will not be disclosed except with the consent of a parent/guardian or eligible student, or as otherwise allowed by the Family Educational Rights and Privacy Act. In the absence of written notification to restrict the release of directory information, the school and the SCSD will assume that neither a parent/guardian of a student, or an eligible student, objects to the release of the designated directory information. NOTIFICATION OF SOCIAL SECURITY COLLECTION AND USE

In compliance with Florida Statute 119.071(5), Suwannee County School Board issues this notification regarding the purpose of the collection and use of an individual's Social Security Number.

The Suwannee County School Board recognizes that an individual's social security number is a unique form of identification that can be utilized to obtain sensitive information regarding that particular individual. However, as required by Florida Statute 1008.386, the Board must request that each student enrolled in the district provide his or her social security number and must use the Social Security Number in the management information system.

The Board further recognizes that under certain circumstances, both as an employer and an education institution, the collection of social security numbers is necessary to be able to properly perform its duties and functions and to ensure that such duties and functions are performed accurately and efficiently. Due to the sensitive nature of an individual's social security number, the Board will secure Social Security Numbers from unauthorized access and will never release them to unauthorized parties. Each student and employee will be issued a unique identification number for reporting purposes unless otherwise prescribed by law.

The Suwannee County School Board collects your social security number only for the following purposes:

Additionally, Federal Legislation relating to the Hope Tax Credit requires that all postsecondary institutions report the Social Security Number of all postsecondary students to the Internal Revenue Service. This IRS requirement makes it necessary for RIVEROAK Technical College to collect the Social Security Number of every postsecondary student enrolled. A student may refuse to disclose his/her Social Security Number to RTC, but refusing to comply with the federal requirement may result in fines established by the Internal Revenue Services.

All Social Security Numbers are protected by federal regulations and are never released to unauthorized parties.
