Locker clean out, textbook, instrument & uniform return, laptop return:

- **Locker cleanout, textbook, instrument & uniform return, laptop return:**
  Next week, students will be able to take care of many year-end tasks on the following schedule:
  - Wednesday, May 27th, 9a-1p Locker cleanout, textbook, Phase 2 packet, instrument & uniform return. Students will be screened as they arrive at the gate. Those simply returning textbooks will be directed to the access road behind the school to return their textbooks. Those who only need to clean out a locker or return an instrument or uniform will be directed to a parking lot closest to the appropriate location and allowed to enter campus a few students at a time to maintain appropriate distancing. Students who need to do both types of tasks will get back in their vehicles to join the textbook return line.
  - Friday, May 29th, 9a-3p Laptop return. Students with laptops to return will be able to take care of all tasks above, plus return their laptops, on Friday May 29th. This will prevent them from having to make multiple trips to campus.
  - If any family needs to return a laptop prior to May 29th, they should contact the school to make arrangements.
