

Seabreeze Dual Enrollment Information for Fall 2020

Do I qualify for first time dual enrollment this fall?

- Students must have a cumulative, unweighted high school GPA of 3.0.
- Students must have completed at least 2 full high school credits.

Reminder: SLS 1122 is offered Seabreeze's campus. This course is required to be taken in the first semester of Dual Enrollment. This is a face-to-face DSC elective that is taken on our high school's campus. This course begins your permanent college transcript.

Just send an email to: GuidanceSummerTeam@groups.volusia.k12.fl.us to request this course (must be taken during your first semester of dual enrollment) with your name, alpha and grade level. Counselors will check eligibility and email a response if it is able to be added to your current schedule for next year.
