

CRAB CLAUSE

A cooperative effort of Seabreeze High School and the SHS PTSA

Seabreeze Sandcrabs are held to high ethical standards in our pursuit of academic achievement. As a student of Seabreeze High School, I understand that academic dishonesty defeats the purpose of education. Cheating, plagiarism, stealing, and lying are neither acceptable nor tolerated. Every task and accomplishment will be a true reflection of my effort.

Dear Seabreeze Family,

On behalf of the entire faculty and staff, I want to welcome everyone to our 109th year of educational excellence at Seabreeze High School! Seabreeze High School is a high performing school consistently rated in the top 100 high schools in Florida and I'm confident it will continue on that path. It is a privilege and a pleasure to serve all of our parents, #1 SANDCRAB STUDENTS, and community members. I am excited and honored to be your Principal! I would like to thank our entire SANCNAB NATION with their support of our district's dress code policy. The students look great!

I am very much a believer in the "Team Volusia" concept. I believe that our faculty, staff, students, parents, and community members will accomplish many great things for students as a TEAM. The most important Guiding Principle leading our team's vision is that: EACH CHILD WILL LEARN, progressing forward academically during the 2016-2017 school year. I believe it is of utmost importance to be visible in the community promoting our students' numerous achievements. I have established a Seabreeze "time" at the Ormond Beach Chamber meetings informing local business owners of all things Seabreeze. Every Wednesday between 8:05-8:15 in the morning I give school updates on WSBB AM 1230 (Unless I am unavailable due to district meetings). Be sure to tune in to find out the latest Sandcrab news!

Our first grading period ends October 20th. Report cards will be distributed October 28th. Grades will be available on Parent Portal October 25th. Please monitor with your students their progress via their Gradebook account. If there are any concerns about grades, conduct or attendance, I encourage you to make an appointment with your student's counselor so these issues may be addressed in time for improvement.

Homecoming Week 2016 is scheduled for the week of October 10th and it will be another fantastic event organized by our SGA. Spirit Week will take place Monday through Friday of that week. Following that event will be our traditional evening pep rally for students and alumni. Our fighting Sandcrabs will play the Barracudas of New Smyrna Beach on Friday night with kickoff at 7pm. During the halftime show this year's Homecoming King & Queen will be crowned by our faculty Duke & Duchess. The week will be capped off with an evening of dancing and fun at the News-Journal Center on Saturday evening from 8:30-11:30 pm. Event information is available on our school calendar. Show your school spirit and celebrate all the great things at Seabreeze High School!

Go Sandcrabs!

Sincerely,
Joseph Rawlings
Principal

WRITING CHECKS TO SCHOOLS

Your check is welcome at Seabreeze High School. The District recognizes that occasionally a parent may inadvertently overdraw a checking account and a check may be returned by the bank. In order to recover these funds in a private and professional manner, Volusia County Schools has contracted with CHECKredi, a company specializing in the collection of returned checks.

Each check written to the school must be made out to Seabreeze High School with the maker's name pre-printed on the check (no starter checks) and must include the maker's physical address and phone number (including area code). Please use blue or black ink.

When a person writes a check to a school or the District, the person writing the check agrees that, if the check is returned, it may be re-presented electronically on the same account for the full face amount and a fee established by Florida law.

CHECKredi will contact you by mail and by telephone in order to make arrangements to pay before attempting to re-present the check electronically. Payments of the check and fee may also be made online at www.checkredi.com using a credit card, debit card or electronic check without any additional fees. For a convenience fee, payments may be made over the telephone at (877) 524-7334 by credit card, debit card, or electronic check. Payments cannot be made at the school or the District.

BOYS SOCCER

The Boys Soccer team looks to make another run at the state playoffs in 2016-2017. Last year the team advanced to the Regional Semi-Final match for the fourth time, only to lose to district rival, Taylor High School. This coming season the boys look to go deeper in the playoffs and reach the Regional Final and Final Four. This year's team looks to replace the seniors who graduated and will do so by relying heavily on a strong group of Sophomore players. The 'Crabs also expect another successful season from the JV squad, which has had a winning record for the past six seasons, and looks to win this year's JV Tournament in January. Try-outs are 10/17-10/19 at 6 p.m. each day at the Ormond Beach Soccer Complex. Students interested in trying out must have up-to-date athletic forms on file, or bring all required forms, fully completed, to the try-outs. The Boys open their regular season campaign on November 8, 2016 against District opponent South Lake. The annual rivalry game against non-district opponent, Spruce Creek, will be away this year on January 6, 2017. Please come out and see some exciting soccer and cheer on the Boys Soccer team!

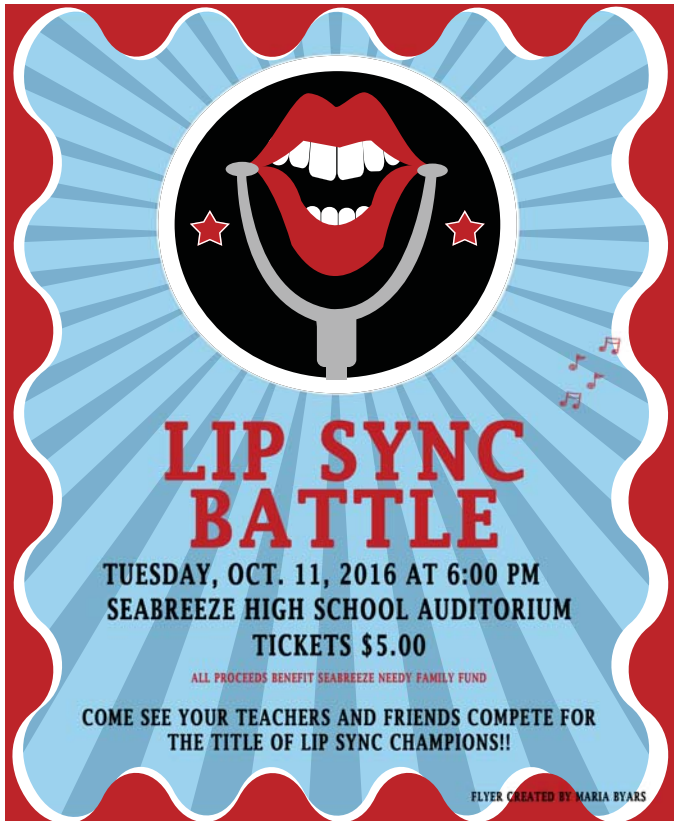

X COUNTRY RUNNING STRONG!

The boys cross country team is entering the mid point of the season with 45 hard working athletes. Upcoming meets at the University of Florida, Mainland, Titusville, Pine Ridge and ERAU will help prepare the team for the conference meet and the State series. 9th and

10th graders are looking forward to the annual Fresh/Soph meet. The team has made great strides this season already with many athletes recording personal bests. The team would like to thank parents, school personnel and the community for the tremendous support the team has received this season. The girls are running well and are preparing to go into the Conference meet on October 15th at the Flager County Fair Grounds, and the District meet on October 24 at New Smyrna Beach. They are training hard to do well at the Region meet at Florida Horse Park in Ocala on October 31st and make it to State for the third year in a row on November 7th in Tallahassee.
