Welcome Back to School!

From the Principal:

Dear Parents:

We are pleased to have you as partners in this educational year. One of our goals is to see that all parents and students feel at home at Suwannee Intermediate School. To accomplish that, Parent Newsletters are sent home with all students and posted on the school website throughout the school year providing information about events and activities.

We are glad to have your child with us this year and want to assure you that we will do our best to help your child experience academic, social, and emotional growth.

With your help and cooperation, this should be an excellent school year.
