

# summer READING LOG

DATE	TITLE OF BOOK	AUTHOR	# OF PAGES

Students who complete this reading log over the summer and bring back signed verification that they have read at least 500 pages will receive prize vouchers good for free and/or discounted food from local restaurants such as Chipotle. Assigned summer reading can be counted toward this goal. If you listen to an audiobook, you get credit for the number of pages in the print version. Books can be from the Florida Teens Read (FTR) list, but this is not required. If you read FTR books over the summer, please be sure to post your reviews! This can be done from home - check the Media Center web site for more details.

Parent/Guardian Verification:

By signing below, I verify that my student read/listened to the above books this summer.
