

Hamilton County High School

COVID-19 Procedures for Extra-Curricular Events

➤ Overview

- Hamilton County High School is committed to protecting the safety and welfare of all students, staff, and stakeholders within our district. We also understand that athletics and extracurricular activities are an essential part of the educational process. During these unprecedented times, safety measures have already been implemented upon our campus. As we open our facilities for extracurricular and athletic events, we ask that spectators in attendance adhere to the following safety precautions:

➤ Individual Safety Precautions

- Do Not attend an event if you are sick;
- Practice social distancing with those outside of your direct family;
- Face masks are highly recommended;
- Wash or sanitize your hands frequently;
- Avoid congregating in the parking lot before and after games;
- Avoid congregating in large groups at concession stand areas or other parts of the athletic facility;
- Avoid close contact with players and coaches

➤ Additional Safety Guidelines

- Signs will be posted within our athletic facilities to promote best practices;
- Various bleacher rows will be unavailable to ensure proper spacing;
- Social distancing signs and hand sanitizer stations will be placed at concession stand areas;
- Guests are encouraged to bring their own face masks; however, masks will be available upon request;
- Spectators are restricted from direct competition areas

Thank you for your support and for keeping us safe and healthy!
