

Coleman Middle School PTSA

2017-2018 PTSA STUDENT BOARD APPLICATION

Did you know that student members of Coleman PTSA can also be members of the PTSA Board and help make decisions that affect Coleman? Students are uniquely qualified to know what is happening at school. The PTSA invites any interested student to apply to be a member of its PTSA Board.

The role of the PTSA Student Board is to:

- Represent the student body at the PTSA Board Meetings
- Facilitate communication between the student body and the PTSA Board
- Look for ways to improve Coleman
- Brainstorm improvement ideas
- Implement improvements

Student Board members will represent all Coleman students. As student representatives, they will bring student concerns and suggestions to the PTSA Board. The student representatives will meet as a group after school one Monday each month. Each PTSA Student Board member will attend one PTSA Board meetings each semester. The student representative will have the opportunity to present student comments as well as help strategize on school issues with the PTSA Board.

Please read the criteria below and complete the application process if you are interested in serving your school as a member of its PTSA Student Board. All student members of the PTSA are encouraged and welcome to attend the General Membership meetings held throughout the school year.

Each applicant must:

- Obtain parent/guardian permission
- Attach one paragraph (can be longer) on why you want to serve on the PTSA Board. See back of paper for details
