March 31, 2020

As of Monday, March 30th, per information released to School Districts from the Department of Education (DOE), students will not return to school until May 4th, 2020.

District personnel, principals, and teachers will continue to conduct the District's virtual instructional plan for home-based learning until schools reopen, engaging students/families directly in the learning process. The District will continue to feed students under age 18 both a breakfast and lunch.

Everyone is strongly urged to continue to adhere to the CDC guidelines for gatherings. At present the limit is no more than 10 people in a single occupied space, as well as continue to practice social distancing.

Our goal continues: keep everyone safe and finish out this school year. I will continue to share updates and information on our websites, Facebook, and through our local news media.

Please feel free to call/email me if needed.

Sincerely,

Joseph Taylor
Superintendent
