

Marsha Blanzenski Memorial Scholarship For Conservative Achievement

The Marsha Blanzenski Memorial Scholarship for Conservative Achievement was established to support college bound students who exhibit:

- Strong conservative moral character and values
- Knowledge of the U.S. Constitution and political systems, and their effect on individual freedoms
- Understanding today's threats to our Democratic Republic
- Demonstrating their conservative values through Community service

Since its inception in 2015 as a 501(c)(3) non-profit organization, the Blanzenski Scholarship for Conservative Achievement has awarded 34 scholarships totaling \$68,000 to students from local high schools, to include Mainland High School, New Smyrna Beach High School, Spruce Creek High School, Father Lopez High School, and others. These scholarships are only possible with the support and donations from the members of the community and fundraising events supported by Southeast Volusia County Republican Club of New Smyrna Beach.

Funds are needed as we start our 2020 scholarship drive. You can make a donation to the scholarship fund and help us send as many young conservatives to college to keep up the Conservative fight. Donations can be made by sending a check or donating online. Checks can be made out to the Blanzenski Memorial Scholarship and mailed to:

Blanzenski Memorial Scholarship
P.O. Box 243
New Smyrna Beach, FL 32170

OR... You can donate on line by (1) accessing the Greatnonprofits.org website, (2) search for the Marsha Blanzenski Scholarship donation page, and (3) following the donation instructions on the scholarship donation page.

All donations are tax deductible!
