

21st CCLC Afterschool Transportation Form

Dear Parents/Guardians,

Transportation will be provided for students enrolled in the 21st CCLC Afterschool Program beginning June 8th. Mrs. Tice has shared the bus routes, community bus stops, and approximate drop-off times for each location.

Please review the attached transportation spreadsheet for details. For safety and efficiency, buses will stop at designated geographical community stops rather than making individual house-to-house drop-offs.

Parents/guardians are responsible for being present to pick up their child from the assigned stop at the scheduled time. The safety of our students is our highest priority, and we appreciate your cooperation in ensuring a smooth and safe transportation process. Thank you for your continued support. Please review the locations for community bus stops and indicate on the line below which bus your child will ride to include the bus driver name.

Please return this form to the front office.
