Scholarship Overview

In spring 2020, Suwannee Valley Electric Cooperative (SVEC) will award up to ten \$1,000 scholarships to high school seniors from throughout SVEC's service territory.

A committee established by SVEC will review all scholarship applications and recommend scholarship recipients to the SVEC Board of Trustees for approval. Students will be recommended for a scholarship based on their cumulative, unweighted high school GPA, the quality of their extracurricular, church, community, civic, work and/or volunteer activities, two letters of recommendation, and their 250- to 500-word essay on why they want to continue their education and how this scholarship will help them do so.

The SVEC Scholarship Program and the Board of Trustees does not and will not discriminate on the basis of race, color, sex, religion or national origin or on any other basis in either the application process or in the consideration and granting of the scholarships provided by SVEC.

There are no exceptions to this rule, and except as determined by SVEC on a nondiscriminatory basis, there will be no deferral of enrollment.
- IX. To be eligible for the scholarship, the applicant must be a dependent child of a SVEC member at the time the application is made and through graduation from high school. However, the applicant cannot be a child or grandchild of a current SVEC employee or trustee.
