

Welcome to the 2018-2019 school year at Mabry Elementary. The Mabry Elementary PTA committees and many volunteers have been working hard throughout the summer to prepare for an amazing year.

As a new or returning parent, you are busy with your child's transition to the start of school. The Mabry PTA strives to provide many avenues for members to learn about events, volunteer as needed, and discuss key items critical to the success of the school, staff, teachers and students. To begin this school year, we have provided this welcome packet with pertinent information.

The following forms are included:

- Stay Connected
- PTA Membership Form
- PTA Volunteer Form
- Facebook Opt-Out Form

In addition to this Welcome Packet and the communication tools outlined in the Stay Connected letter, there are **PTA General Membership Meetings (GMM)** held once a quarter in the evening, often with childcare for your school age child. At these meetings important agenda items are discussed such as school news, guest speakers, educator and staff's discussions, and budget review. Important items will be voted on by the members in attendance. The first meeting will be **Tuesday, August 21st at 6pm in the Mabry cafeteria** and your attendance is welcome.

Please take the time to review this Welcome Packet, register for necessary communication tools, and join the Mabry PTA.

If you have any questions, please go to the PTA website, www.mabrypta.org or email mabry.minute@gmail.com for specific questions.

Thank you,

Nikki Armstrong

Mabry PTA President, 2018-2019
